PE at Trinity

Trinity all through school is a thriving community, where our staff and pupils are enthusiastic, conscientious, talented and caring. We take appointing new staff very seriously and seek other professionals who are committed to young people and supporting Trinity to continue to move forward. We are very proud of our school and are seeking likeminded people to join us with our vision and ethos of making all pupils succeed in a happy and caring environment. The successful candidate will help support our inclusive vision in providing the very best education for all children and help us to achieve the next level of success. The Trinity secondary site is a modern purpose built building that has all the latest facilities. The building has a sense of space for all the school community. The Secondary site has a sports hall, activities room and a MUGA. We also have access to a large outdoor cage next to the school during the school hours and we hire the use of a field as well.

We have a team of 5 specialist teachers (including the head of department) running all sporting activities and events at the school. We also work closely with the PE lead in the primary to ensure our curriculum is shared and progressive right from Early Years up to the end of year 11. Our secondary pupils run sports leadership with the primary pupils and our sport ambassadors also run the sports day events for the primary phase. Our curriculum is very progressive and we do get many pupils to get fully engaged with after school clubs and competitions. We have pushed this year with hand ball – very successfully. We also run a skiing trip every two years and have run sporting touring events. Our big push is to further engage girls in competitive sports, especially as they move up into KS4.

We currently offer one group of GCSE PE each year as an option and a further group of OCR Sport Studies as well – getting approximately 50% of the cohort a sport qualification before they leave. We do wish to keep expanding this provision as we do see sport as a crucial part of our curriculum provision right up until the end of year 11.

We are looking for a motivated and enthusiastic leader to come and continue to drive up standards in PE at Trinity, especially enthusing girls to enjoy sport. The PE team are very enthusiastic and open minded, looking for someone to come with new ideas and a clear vision moving forward. As a small secondary phase this is an idea opportunity for someone with experience of leadership or someone looking for their first leadership position. Come and have a look!

Come and join our amazing school.

Kind Regards,

Marie Buckley

VISION

Trinity Standards

Our Trinity Standard is expressed in the grid below – showing the different strands expected under each of the 7 categories. These are not expected to be seen in every lesson, but instead they should be evident over time. Observations will be looking at areas of strengths and highlight areas to develop from these categories.

Intent

To deliver the content of the national curriculum augmented with knowledge and understanding which will enable our pupils to **“live life in all its fullness”**.

Trinity has created a **knowledge engaged progress model** which clearly outlines the:

- **key knowledge and vocabulary** to be delivered and;
- **character developing experiences** to be offered

at specific milestones from reception through to Year 11

Implementation

Through seven key principles that make up the Trinity Standard for Teaching and Learning.

Impact

For our pupils to:

- achieve academic success;
- be prepared for the next step of their journey through Trinity and beyond;
- gain cultural and social capital;
- be able to procedurally engage with a rich web of knowledge;
- become courageous advocates who fight social injustices.

- 1.4 Pupils are appropriately greeted and have access to resources / prompts / scaffolds / books as soon as they enter classroom
- 1.5 Pupils respond appropriately and swiftly to transitions within sessions and are well routine – expectations have been put in place and demanded at each stage of the session
- 1.6 Silence during key phases of sessions is demanded – including during modelling and independent practice (where appropriate)
- 1.7 Pupils know appropriate responses to key parts of session – when to put hands up / when to talk aloud / how to speak to partners / adults
- 1.8 Positive body language is demanded from all pupils at all stages of session (sitting up straight, all pupils participating when asked to, no swinging on chairs or slouching)
- 1.9 Rewards / praise given throughout session to motivate and reinforce high expectations

- 2.4 High quality procedural tasks set – learning/knowledge is applied to other contexts
- 2.5 Next steps/learning/extensions are clear, understood and available to all pupils

3.Modelling

- 3.1 Makes use of direct instruction – 'Just tell them' when introducing new concepts – experiential learning to take place *after* new learning is introduced
- 3.2 es pre-prepared models pitched at or above national expectations
- 3.3 Live Modelling is clearly broken up into small, well-defined steps – ensuring cognitive load is balanced
- 3.4 Modelling is focussed on learning objective taken from KAOs or Knowledge organisers or Key Stage curriculum

7.Feedback

- 7.1 Whole class feedback/feedforward given
- 7.2 Live verbal feedback given and acted upon during session

- 7.5 Opportunities for self-assessment to agreed/predefined objectives/success criteria to aid metacognitive strategies
- 7.6 Feedback clearly results in progress over time in books and data
- 7.7 Acting on feedback is modelled to pupils clearly – often under visualizer with actual pupil's learning
- 7.8 Feedback about the process rather than specific outcome is given to further develop metacognitive strategies
- 7.9 Feedback takes place at all stages of session – particularly during guided, collaborative and independent practice stages – consistent checks for learning linked to the lesson purpose
