SECONDARY PHASE

PARENT CURRICULUM

Lent 2023

Trinity

LEARNING • LOVING • LIVING

The Parent Curriculum is designed to provide support to members of our wider Trinity Family (parents and carers) to help the pupils of Trinity on their learning journey; academic, emotional and spiritual. Alongside this, there is learning that is directed at our Trinity parents and carers which aims to inform and support you so we can work in partnership together to enable all pupils of Trinity to flourish and live life in all its fullness.

Below are listed events and workshops for the Lent term (January– March 2023). As the Parent Curriculum is taking on a new form this year and is being developed to ensure we support parents as best as possible, there may however be new workshops offered during Lent term, so we will let you know as soon as possible to inform your diaries/book a space via
