Pupil Feedback

Fettan

Year 11 Pupil

My experience in the Faith Team taught me what it truly means to live life in all its fullness.

Each speech, each fundraiser, each opportunity shaped me into the confident, hardworking student I am today. Being a member of such an incredible group of people is a privilege I will never forget, and I hope to carry all the skills I've acquired through my journey in the Faith Team into all my future endeavours.

New Year, New Faith Team Mr Cotton - Chaplain Trinity C of E School

A new academic year brings forward a new Faith Team. This year we have seen more applicants than in previous years. This means that across both sites, we have a whole new team, where this is the pupils' first experience being in this role!

The pupils have hit the ground running, already being involved in multiple projects across both sites.

Each one is eager to learn, develop their communication and speaking skills, and enable everyone within our Trinity community to "live life in all its fullness."

Pupil Feedback

Emily

Year 11 Pupil

Being in Faith Team has made me more aware of other faiths and communities and allowed me to grow as a better person overall. This could be through charity work with Demelza, Lewisham Foodbank and the local care home. It is a good experience to bond with the community and teaching me to give back.

Faith Team Tie

We've added a new tie to our pupil leadership team. The secondary Faith Team now has pink and black ties, which will be replacing their badges.

Wednesday Litter Picking

To help make a difference in our local community, the Faith Team has started to regularly collect litter in Manor House Gardens and the surrounding area on Wednesday lunchtimes.

The Faith Team pupils have been placed on a rotating rota where they go around looking for litter to collect. The pupils have been able to work on their teamwork skills; they've spoken to local residents and have represented the school well within the local community.

We've been impressed with their eagerness to take part in this project and their willingness to give up their lunchtime to serve their local community.

Pupil Harvest Feedback

Faith Team Pupil

It made me realise there's a community spirit in the school and that we want everyone to live life in all its fullness. I realised that there is more need in our community than I first thought and how it's good that we can help others less fortunate than ourselves. It's made me more self-aware and appreciative of the things I've been gifted with.

Trinity Being a C of E School

Anonymous Pupil Feedback

Being in a church of England school, teaches you how to deal with negative things, because it teaches values and influences your mindset in a positive way.

I'm able to better deal with my emotions, anger and frustration. I'm able to find people of my own faith and beliefs and not worry about what I believe in, because they either believe the same or are open to faith. I also learn more about my own christian faith.

Harvest

We've had an eventful Harvest across both sites at Trinity. We donated a large amount of food to AFRIL from the secondary site.

The primary restocked their own food bank and even had surplus to offer to AFRIL as well! Both Faith Teams did an amazing job leading the initiative among their peers, advertising it, organising donations, and the primary team led a church service for the parents and carers.

We had Reverend Chris from the Good Shepherd pray a blessing over the donations, and Reverend Stephen at St Swithun's preached and prayed a blessing over the primary donations. We are amazed to see what God is doing within our Trinity family and local community.

Poppies

As Remembrance Day draws near, pupils at Trinity Primary have received poppy templates to decorate. The Primary Faith Team distributed them to each class, and the finished poppies will be displayed at the front of the school as a tribute to those we remember.

At the secondary school, the Faith Team have been making their way round to pupils and staff, selling poppies and other items to raise money for the British Legion in support of Remembrance Day.

Bible Scripture

Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.

2 Corinthians 9:7

Demelza

This Christmas, we're collecting donations for Demelza, a charity that offers "extraordinary care to extraordinary children with serious or life-limiting conditions and their families."

If you have items to donate, please bring them to the secondary site so we can pass them on to the Demelza store.
