The week started with having a talk with Tayo from Trash Gxng, a local Lewisham Urban Wear Designer who spoke about his brand and how to start a business within Fashion.

We then went to the V&A museum and had a look at the different fashion trends over the centuries. Next day was followed by a day of training being a fashion model will Exquisite Model Management which is run by our very own Trinity staff Ms Alvarez. She brought in a few industry people to also support the students who spoke about their journey within modelling. The day ended with a photoshoot with designer I&I. Our last day the students enjoyed doing a flash mob in Kensington Gardens which really helped them build their confidence. They did amazing and learnt so much, with some being interested in modelling in the future. YEAR 7'S HAD A GREAT TIME ON THEIR TRIP TO OXYGEN TRAM POLINE PARK AT THE 02' TAKE A LOOK! Everyone had a fab time with a lunch-break in the shade in St. James' Park and we would recommend it as a fun holiday activity - be clever though — bet you didn't know that there is a tiny jail on a corner of Trafalgar Sq — 500 points!
