LEARNING • LOVING • LIVING

Jesus said "I have come that you may have life in all its fullness" (John 10v10)

The Parent Curriculum is designed to provide support to members of our wider Trinity Family (parents and carers) to help the pupils of Trinity on their learning journey; academic, emotional and spiritual. Alongside this, there is learning that is directed at our Trinity parents and carers which aims to inform and support you so we can work in partnership together to enable all pupils of Trinity to flourish and live life in all its fullness.

Below are listed events and workshops for the Michaelmas term (September – December 2025). If there are further workshops offered during Michaelmas term, we will let you know as soon as possible to inform your diaries/book a space via Eventbrite.
