

PARENT CURRICULUM Lent 2026

Trinity
SECONDARY PHASE

Trinity

LEARNING • LOVING • LIVING

Jesus said "I have come that you may have life in all its fullness" (John 10v10)

The Parent Curriculum is designed to provide support to members of our wider Trinity Family (parents and carers) to help the pupils of Trinity on their learning journey; academic, emotional and spiritual. Alongside this, there is learning that is directed at our Trinity parents and carers which aims to inform and support you so we can work in partnership together to enable all pupils of Trinity to flourish and live life in all its fullness.

Below are listed events and workshops for the Lent term (January- Easter 2026). If there are further workshops offered during Lent term, we will let you know as soon as possible to inform your diaries/book a space via Eventbrite.

Live & Virtual Events and Workshops

Date and Time	Title	Details
Thursday 15th January 4-5.50pm	Maths, Science, English Year 11 event. <i>Invite only</i>	Guidance and revision support on how to support your child with their Core Subjects in the final few months before their GCSEs. There will also be an opportunity to ask questions and speak with the Heads of English, Maths and Science . Please attend with your child.
Friday 16th January 9:15am and following Fridays	'Tea and talk' drop-in for BCRB families	Weekly drop-in session providing a space for Black Caribbean parents to network and share successes and challenges amongst themselves. In addition, it allows collaboration with the school to build home-school relationships where we can share ideas of how we may best support the pupils. Open to both the primary and secondary phases. Light refreshments will be provided.
Friday 23rd January 9:15am	Parent Prayer meeting	An opportunity to meet with other parents and carers to pray for one another, the needs of the school and the wider community. Light refreshments will be provided
Monday 26 th January 2.15pm	Musical instrument lessons: how to support, motivate and encourage your child as they learn an instrument	The Head of Performing Arts will facilitate an informal, friendly discussion sharing research and personal/professional experience. Do the young people in your home learn instruments on-line or with a teacher? Support and encouragement at home can be key to ensuring they stick with learning an instrument. Motivating young people to practice and encouraging them to be purposeful really enables them to make progress. We will share ideas and think about strategies which will help you support your children at home. We will think about rewards, finding a suitable time/space to practice, home/school partnership ideas, opportunities to showcase their
