

Trinity

LEARNING • LOVING • LIVING

Jesus said "I have come that you may have life in all its fullness" (John 10v10)

Dear Trinity Families,

Year 7 Assessment Week Timetable

As we approach the end of our first term of the school year, Year 7 will be taking their first set of formal assessments this academic year. Assessment week for Year 7 begins on Monday 23rd – Friday 27th February 2026.

Please find the timetable for the week's assessments attached to this letter.

These assessments are a chance for Year 7 to demonstrate the learning and knowledge they have acquired this term, as well as to become familiar with the expectations and process of taking assessments. In the run-up to assessments pupils will be directed towards a wide variety of revision materials by their subject teachers and should be using these to fully prepare themselves to perform well.

Please do ensure that your child is working at home on writing revision notes, creating flash cards and reading over the work completed in class and using their booklets to test themselves. Do encourage them to access Microsoft TEAMS regularly as there will be resources to support them uploaded on here. If any reason your child cannot access TEAMS please let their Family Group Leader know.

During the Assessment Week, pupils should attend school promptly with all the necessary equipment in a pencil case, including a calculator. It is crucial that the highest standards of behaviour, attendance and punctuality are met during the Assessment period so please do ensure that your child is on time for school, fully equipped and ready for their Assessments. The results of these Assessments will be reported to you together with the termly report on their behaviour and attitude for learning.

Thank you very much for your continued support.

Yours faithfully,
Miss B Hollett
Head of Year 7

Mr David Lucas - Executive Headteacher
