	Guidance and Feedback Mental Preparation Emotion and Personality Influences on Participation Commercialisation of sport Technology in sport PED's Spectator Behaviour Health, fitness and well-being Sedentary Lifestyle Diet and Nutrition Somatotypes	
Geography	Edexcel GCSE geography B Paper 1: Global Geographical Issues, Paper 2: UK Geographical Issues, Paper 3: Making Geographical Decisions Link to website:- https://tinyurl.com/4eb7pyww Full revision material in your Teams folders Organised revision folders- everything you need!	• Plan your revision: Break topics into sections and schedule time for each. • Master case studies: Learn key facts and figures for all examples. • Use active recall: Test yourself with flashcards and past questions. • Practise exam technique: Focus on command words and timed answers. • Revise visually: Use maps, diagrams, and interactive resources. https://www.youtube.com/@MrsGeography/videos https://www.youtube.com/@jcgeogsupport
Food	Functional and chemical properties of food. You must not complete any NEA1 work but you can complete research to add in on the Tuesday.	<u>Online textbook:</u> www.illuminate.digital/aqafood Student Username: STRINITYLONDON3 Student Password: STUDENT3 <u>Seneca:</u> Free Homework & Revision for A Level, GCSE, KS3 & KS2 (senecalearning.com) <u>Quizlet:</u> https://quizlet.com/join/dAcZW7aeZ
IMedia	Nov PPE Topics: Topic area 1: The media industry Topic area 2: Factors influencing product design Topic area 3: Pre-production planning	Quizlet: https://quizlet.com/class/27435067/materials Know it all Ninja Revision videos/Channel: https://www.youtube.com/watch?v=GdRbDnSeQXg&list=PL3KFKOfml1eChW_uH89bZRleQyOWh7ONn

Please see below for PPE 2 teacher advice

	Full list of topic area's in books / Revision booklet & homework booklet page 4-5	Online knowledge organiser: https://www.whgs-academy.org/Portals/0/adam/Content/QMZ5s2GR3UCIphLZG9MciQ/Link/Y10_Creative_iMediaKO.pdf Revision books/guides: Available to buy from MCAS
Art	Prepare for PPE 2 by completing H/W tasks, gathering primary research for Abstract Texture project. Taking photos, research and interpreting artists, attending intervention and working on outcomes at home to increase the quantity of work.	Plan PPE outcome for full day exam based on all the development so far.
Sport Studies	<i>Topic Area 1: Issues Which Affect Participation in Sport</i> • Different user groups (e.g. gender, age, disability, carers) • Barriers to participation • Solutions to overcome barriers • Positive and negative impacts on sport popularity • Growth of emerging/new sports <i>Topic Area 2: The Role of Sport in Promoting Values</i> • Values promoted through sport (e.g. teamwork, respect) • Olympic and Paralympic movements • Initiatives, campaigns, and events promoting values	

	Topic Area 3: The Importance of Hosting Major Sporting Events • Types of major events (e.g. Olympics, World Cup) • Benefits and drawbacks of hosting • Legacy and impact on host cities/countries	
Maths	In your next PPE you will sit a calculator and a non calculator paper. All topics can be assessed on both papers. You can find the formula sheet for higher and foundation here Foundation Higher To structure your revision, we recommend you use the following: Higher Corbett Maths Ultimate revision, this is a 10hour video, so watch 15 mins a day. https://corbettmaths.com/2023/04/16/ultimate-higher-revision-video/ Maths genie; scroll down to the grade 4 – 9 topics. Do not ignore the grade 4 and 5 topics; marks can be easily missed on the crossover questions as pupils do not revise these topics, but they need to be secure: https://www.mathsgenie.co.uk/gcse.php	There are essential formula given to you on the formula sheet. You also need to know these formulae by heart: Pearson Formulae Poster GCSE 9-1 A4 printing (no formulae triangles).pptx You should be doing your daily tasks in full every day at home. If there are questions you cannot do, use Sparx or Corbettmaths to help work through the topic. Try not to leave anything blank. Past papers are printed every other Monday and placed in folders on the door of the Maths office. The answers will be posted on Teams every Friday. These go quickly, so make sure you pick one up by breaktime on a Monday Past papers from the last two years can also be found on Maths genie, with handwritten and video solutions available, Past papers

	1st class Maths lists the most and least frequent topics assessed over the three papers. Start revising the high frequency topics. Each topic has a video, a set of past paper GCSE questions and pupil friendly answers. Make sure you are working through grades 4 -9 https://www.1stclassmaths.com/edexcelrevision Foundation Corbett Maths Ultimate revision, this is a 10hour video, so watch 15 mins a day. https://corbettmaths.com/2023/03/14/ultimate-foundation-revision-video/ Maths genie, scroll down to the grade 1-5 topics. Do not ignore the grade 1 and 2 topics , marks can be easily missed on the first couple of pages on the paper. Don't let this be you! https://www.mathsgenie.co.uk/gcse.php 1st class Maths lists the most and least frequent topics assessed over the three papers. Start revising the high frequency topics. Each topic has a video, a set of past paper GCSE questions and pupil friendly answers. Make sure you scroll down so that you are working through grades 1-5 https://www.1stclassmaths.com/edexcelrevision	
Science	November PPE Topics – Paper 1: Biology: Cell biology, Organisation, Infection and response, Bioenergetics (respiration and photosynthesis)	• Complete Tassomai daily goals every day. Tassomai is AI based, therefore it generates its questions based on your strengths and weaknesses. • Seneca! Choose two subtopics a day to go through work on and aim to get at least 80% on it.

Please see below for PPE 2 teacher advice

	Chemistry: Atomic structure and the periodic table, Structure and bonding, Quantitative chemistry, Chemical changes, Energy changes Physics: Electricity, Energy, Atomic structure (radioactivity), Particle model of matter You can access a periodic table and formula sheet below: Periodic table Physics formula sheet Revision resources can be found: • In the files section of your class Teams • BBC Bitesize (AQA exam board) • Past papers on Physics and Maths Tutor (Remember to select AQA exam board and choose the correct tier H or F) https://www.physicsandmathstutor.com/past-papers/	• Look at a past paper question on Physics and maths tutor once a week. Try to attempt the question. If you struggle then look at the mark scheme so you know what a model answer would look like for next time.
Music Technology NCFE Levels 1/2	Use TEAMS resources to revise from by following this link to Teams- Music Tech- Files – Class Materials Revision: Four powerpoints on the following topics: CA2 – The Digital Audio Workstation CA3 – Musical Elements and Musical Style CA4 – Sound Creation CA5 – Multi-track recording Two booklets: 1. CA1 – the Music Industry 2. General revision booklet for the entire course.	Take a look at the past paper I have put in our TEAMS – Files – Class materials. Visit Focus On Sound https://portal.focusonsound.com/ And go to “Lessons”. Particularly relevant lessons are Music Technology –use the dropdown menu on your left to work through the topics. You may also try Popular Styles (use the menu on the left to work through the styles), and Music Theory.

Please see below for PPE 2 teacher advice

	This is almost everything that may come up in the exam. You were given hard copies at the end of year 10. Ask me if you need more.
