## WEEKLY NEWSLETTER

Primary Phase

Leahurst Road, Hither Green, SE13 5HZ

Tel : 0208 325 4551

Secondary Phase

Taunton Road, Lee, SE12 8PD

Tel : 0208 852 3191

Dear Trinitarians

We have had a very busy week with a whole school review. Your son / daughter may have come home talking about visitors in the school looking around and questioning teachers and pupils about what we were doing. These external professionals were brought in to help us evaluate where we are as a school and identify areas that we can continue to work and improve on. It is part of our evaluation process. To ensure we are always outward looking and self-improving we look to pupils, parents, staff and external people to help us look at our impact and ensure we are providing the best education for all our pupils. We had a team of 4 external professionals visit the secondary site for a day and 2 at the primary. Both teams were extremely complementary about our pupil's amazing behaviour around the site and fantastic attitude to learning within the classroom. They felt the subject knowledge of our teachers was phenomenal, with one visitor saying they have never seen such a high quality curriculum in all the schools they have visited. Yet again I am extremely proud of our hard working and talented staff – and our amazing pupils. I wish to personally thank them all for their dedication and determination – they are definitely living life to the full.

We do of course have some areas to continue to work on to ensure we are always evolving and securing Trinity's impact. We will continue to develop all our leaders and our pupils as leaders across the school as well as to look at ways to continually challenge our pupils. Please can we ask you to keep asking questions of your son /daughter when they come home. To see what they have learnt and how they have practiced their skills. In the secondary phase please talk to your son / daughter about their knowledge organisers. Do look back at the previous knowledge organisers from before Christmas as well – all the knowledge needs to stick and stay in their memory. It is worth keeping them, do they still have last year's knowledge organisers? These documents show the accumulation of knowledge the pupils are developing over time. Half term is a great opportunity to revisit these.

Straight after half term we start our Trinity Futures programme. This does extend across the whole school, with an increase in intensity of activity within the secondary phase. This looks at different career pathways and opportunities to enable pupils to explore different avenues of their own interests. Please do talk about different jobs that are around us and how many opportunities there are at home. Talk about what you wanted to do when you were younger, and that it is fine to have strong ideas and to change these ideas over time. The future job markets are constantly changing along with technology, so pupils need to be open-minded when thinking about their futures.

Have a fabulous half term.

Monday 17<sup>th</sup> February

to

Friday 21<sup>st</sup> February

Schools re-open

Monday 24<sup>th</sup> February

### News

**CORONA**

**VIRUS**

**CATCH IT**

Germs spread easily. Always carry tissues and use them to catch your cough or sneeze.

**BIN IT**

Germs can live for several hours on tissues. Dispose of your tissue as soon as possible.

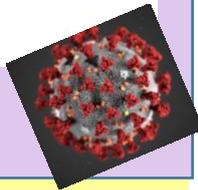

**KILL IT**

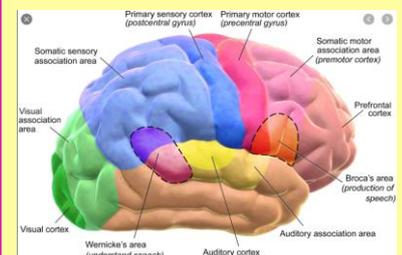

Hands can transfer germs to every surface you touch. Clean your hands as soon as you can.

See page 7

### EXPAND YOUR MIND

**All PUPILS**

To aid your personal development ..... check out these fun things to do during the holidays.

See page 9 Character Corner

# PRIMARY PHASE

A huge thank you to the amazing pupils and staff at the primary phase with regards to the heating. As many of you know a leak emerged at the start of the week and the engineers turned the heating off in the afternoon of Tuesday to fix it. It turned out that the fix was bigger than we thought and an extra part was needed. On Wednesday morning, which was when we did not have heating, we placed special electric heaters in each classroom to make sure the building was not cold. By the end of Wednesday we noticed a few rooms that were slightly colder than others and consequently bought additional heaters for these 4 rooms. On Thursday the pupils were very happy and feeling hot in some of these rooms!!! It is amazing how resilient our pupils are, who were focused on their learning. Thank you for your support.

## Trinity Science Fair!

Trinity looks forward to another successful year of children bringing in scientific projects they have created at home.

No sign up is needed!

All families are welcome to come to our Trinity Science fair and see the amazing experiments on show!

Prizes to be won!

Trinity school hall  
Thursday 12th  
March 3.15pm-  
4.00pm

# KEEP GOING

Friday  
28th  
February

## NON SCHOOL UNIFORM DAY!

Following our penalty shoot out competition, we still have a long way to go to fund the net for the top of the football cage.

Trinity Voice have planned a non school uniform day in which you can come to school in any of your favourite sports clothes and bring £1!

# PRIMARY PHASE

Dear Trinity families,

Tying in with national E-Safety Day, which was on Tuesday this week, we have had E-Safety Week at the Primary site. All year groups have had focussed learning on the importance of staying safe online, on mobile devices and during online gaming. Miss Randall, our Computing Lead, led assembly on Wednesday and discussed the dangers of posting private details or photographs online. A big thank you to her for organising the week.

We have lots of events to look forward to after half term. On the first week back, the foyer will be adorned with pupils' art outcomes from this half term in response to the National Gallery's Take One Picture initiative. Miss Kiley, our Art Lead, will be collating pupils' outcomes to showcase them as an Art Exhibition. We cannot wait to see how splendid it will look.

The second week of half term is World Book Day and we will be celebrating reading across the site through dressing up, reading together and writing responses to some of Mr Weddell's favourite picture books.

We also have Science Week, culminating in our annual Science Fair, to look forward to. More information on this can be found later in this newsletter. What an exciting term we have coming up.

I wish you the very best of breaks, full of rest and fun, ready for learning after half term.

Head of School, Primary Phase  
Trinity all Through School

## YEAR 2 VISIT THE AL-EMAAN CENTRE

This week, Year 2 visited the Al-emaan Centre in Orpington.

<https://trinityprimarylewisham.blogspot.com/2020/02/year-2-visit-al-emaan-centre.html>

## GYMNASTICS SHOWCASE

In Celebration Worship this week, Mr Shaun had picked a group of pupils from Years 3, 4 and 5 to showcase the gymnastics sequence they have been creating independently over the course of this half term.

<https://trinityprimarylewisham.blogspot.com/2020/02/gymnastics-showcase.html>

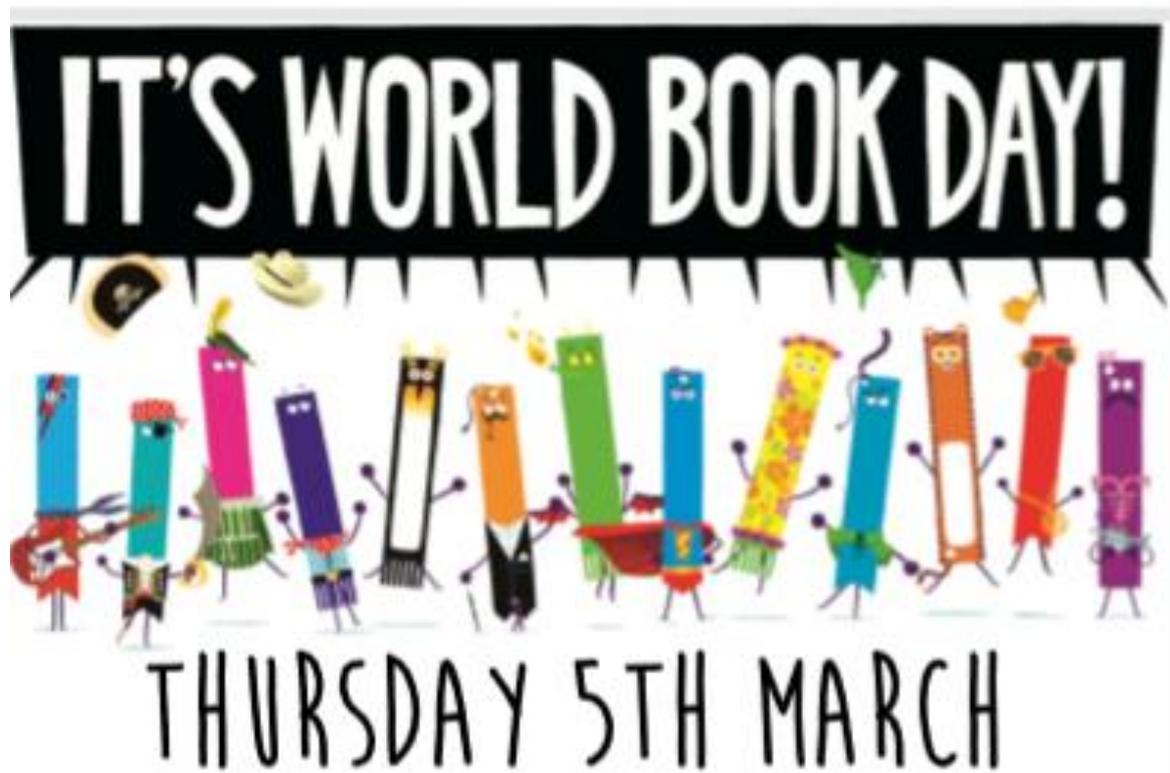

## E-SAFETY WEEK AT TRINITY

This week has been E-Safety Week at Trinity Primary Phase.

<https://trinityprimarylewisham.blogspot.com/2020/02/e-safety-week-2020.html>

Please come to school dressed as your favourite character from your favourite book!

We look forward to hearing about all of your favourite stories.

**PAFT will also be running a 'Porridge Breakfast' before school so stay posted for more information!**

## CHAPLAIN'S CORNER By Miss S Alder

This week we had Andy in leading our whole school worships at both sites, he spoke with passion and enthusiasm about the importance of developing knowledge of God and about listening and trusting in God as a means of developing wisdom. It was great to see our primary pupils helping to act out the Calming of the Storm in worship as we heard about how Jesus was able to calm the storm with his words, reminding us all of Jesus' divinity. It has been a very busy half term with lots of exciting chaplaincy opportunities for our pupils at Trinity, I wish you all a peaceful and restful break and look forward to our next half next term where we are going to focus on being insightful and principled.

Our primary pupil faith team this week have been getting ready for their first through school meeting at the secondary site and we will be sending pictures and outcomes of that meeting out in the first chaplain's corner after half term. This week we selected different miracles to read and we reflected on what the miracles show us about Jesus' divinity and what we can learn from Jesus in the way he treated people. We then said prayers for those who are suffering from illnesses and those who lost homes and/or possessions during the storm last weekend.

### Announcements:

- Each month we will be collecting different tins for the food bank, please see below for what the different sites/year groups are collecting.
  - Secondary collection – February – Year 7 are collecting tinned tomatoes
  - Primary collection – February – All primary years are collecting tinned sweetcorn
- Please see the attached posters for further information about our chaplaincy activities
- If you have any feedback regarding worship or any part of Christian character and life please do get in touch.

God of the Trinity Secondary School May our lessons light our learning and progress

May we love our neighbours as ourselves,

May we have courage to live good lives,

So that we are outstanding Trinitarians.

Amen

## ALL PARENTS – INFORMATION

**HM Government** **NHS**

### CORONAVIRUS: PUBLIC INFORMATION

The Government and NHS are well prepared to deal with this virus.  
You can help too.

Germs can live on some surfaces for hours.  
To protect yourself and others:

- Always carry tissues with you and use them to catch your cough or sneeze.
- Bin the tissue, and to kill the germs, wash your hands with soap and water, or use a sanitiser gel.
- If you have arrived back from China within 14 days follow the specific advice for returning travellers.

This is the best way to slow the spread of almost any germs, including Coronavirus.

[Find out more at gov.uk/coronavirus](https://www.gov.uk/coronavirus)

**HSC** Public Health Agency **Novel coronavirus (2019-nCoV)**

**If you have a cough, or fever, or shortness of breath and have been to any of these places in the last 14 days:**

- China
- Republic of Korea
- Singapore
- Thailand
- Hong Kong
- Malaysia
- Japan
- Taiwan
- Macau

**Stay indoors and contact 0300 200 7885 for advice**

**If you have been to Wuhan, or Hubei Province, China in the last 14 days ...**

**Stay indoors and contact 0300 200 7885 for advice even if you do not have symptoms**

Visit [NHS.UK](https://www.nhs.uk) for more information

Version 3. Updated 7 Feb 2020

## PREVENTING THE SPREAD OF INFECTION

### 1. Preventing spread of infection

There are general principles you can follow to help prevent the spread of respiratory viruses, including:

- Wash your hands often - with soap and water for at least 20 seconds. Use an alcohol-based hand sanitizer that contains at least 60% alcohol if soap and water are not available. This is particularly important after taking public transport
- Avoid touching your eyes, nose, and mouth with unwashed hands
- Avoid close contact with people who are sick
- If you feel unwell, stay at home, do not attend work or school
- Cover your cough or sneeze with a tissue, then throw the tissue in a bin. See [Catch it, Bin it, Kill it](#)
- Clean and disinfect frequently touched objects and surfaces in the home and work environment
- If you are worried about your symptoms, please call NHS 111. Do not go directly to your GP or other healthcare environment
- See [further information](#) and the [Public Health England Blog](#)

There is currently no vaccine to prevent 2019-nCoV acute respiratory disease. The best way to prevent infection is to avoid being exposed to the virus.

*For up-to-date information on the Corona Virus go to*

# Trinity Primary

## Meet & Greet

Trinity Primary held two of its first 'Meet & Greet sessions at the ending of last month. The idea behind these meetings was to encourage parents to become more involved in our schools community and to create an informal group where they can raise issues, be consulted on school policy and give their views, as well as come together to share their experiences and learn about current affairs and how they can further help their child.

From the schools perspective we wanted to offer a forum where we could provide advice and give information for individual's needs. We wanted a space and the time where we were able to offer strategies and our support not just from an academic view point, but also from a more holistic approach.

Both sessions were an excellent way of meeting parents, sharing ideas and concerns and also planning for the future. The first meeting brought 9 parents in total. Word of mouth brought a new cohort with numbers growing to 11. Obviously we would like the numbers to increase so please keep an eye/ear out or enquirer about dates and times of the next meeting.

It was encouraging to see the interest of the parents and to also listen to their ideas and what they felt was important for them, their children and the school community. We look forward to seeing you and if you have any questions or suggestions please contact:

## CHARACTER CORNER by Ms Hanlon & Mr Morhen

Britain's first museum of immigration is to reopen in **Lewisham shopping centre**. The **Migration Museum**, which looks at the movement of people to and from the UK, will open at the former H&M store in Lewisham Shopping Centre on Friday February 14. It will stage a series of exhibitions, events and education workshops.

Opening  
Feb 2020

<https://www.migrationmuseum.org/event/familyhistory/>

Enjoy some parklife this half term at **Grove Park Nature Reserve**. Containing a range of habitats that support a wide diversity of plants and animals, including a number of locally rare species. The nature reserve is an important wildlife site and it also makes up part of the South East London Green Chain Walk and the regional Capital Ring.

<https://groveparknaturereserve.wordpress.com/>

Feeling active, then join the **Hilly Fields junior park run** this Sunday. It is a 2k event for juniors only (4-14 year olds), held every Sunday at 9:00am in Hilly Fields park. It's free, but **please register** before your first visit. The aim is to have **fun**. Please come along and join in whatever your pace!

junior parkrun

<https://www.parkrun.org.uk/hillyfields-juniors/>

Visit **GENDERS** at the **Science Gallery** this half term. GENDERS presents a playful and kaleidoscopic view of genders and the relationship with science, as well as factors like class, culture, race, age and sexuality. The season aims to open conversation through personal perspectives on and beyond the female and male 'binaries'. Drawing on the latest research from King's College London, the season examines ideas of gender today. The exhibition features artworks, scientific research and collaborative projects, and invites audiences to interact with and speculate upon the factors that shape our behaviour and our understanding of genders.

<https://london.sciencegallery.com/seasons/genders/exhibition>

Free exhibition opening on February 13<sup>th</sup>

Head to **The Great Stink** at the **Museum of London Docklands**. Travel back in time with storyteller Emily Grazebrook to the stench-filled summer of 1858 in this interactive session. Hold your nose as you move through the museum galleries and discover the dirt, disease and pollution which created the Thames' Great Stink!

Free family drop in for 5+, on Saturday 15<sup>TH</sup> & Sunday 16<sup>th</sup> February at 12pm, 2pm & 3pm.

<https://www.museumoflondon.org.uk/museum-london-docklands>

Walk Through British Art at **Tate Britain**. Walk through time and explore artworks from 1545 to the present day. This 12 room walk through tour offers a chronological display of Britain's greatest artists, taken from the collection. Instead of designated themes or movements, the display is arranged by decade, so you can see an array of art made at any one moment.

<https://www.tate.org.uk/visit/tate-britain/display/walk-through-british-art>

Feeling hungry? Then head to historic Borough Market. Borough Market is a riot of colours, smells and human engagement and has been serving the people of Southwark for 1,000 years. Feast on hot dishes from street food vendors and browse stalls heaped with fresh produce at this foodie paradise by [London Bridge](#). From British fruits and vegetables to international delicacies, handmade chocolate truffles and Indian street food, there's plenty to peruse and tuck into from the many traders and restaurants at one of London's oldest food markets.

<https://boroughmarket.org.uk/>

**BOROUGH  
MARKET  
SE1**

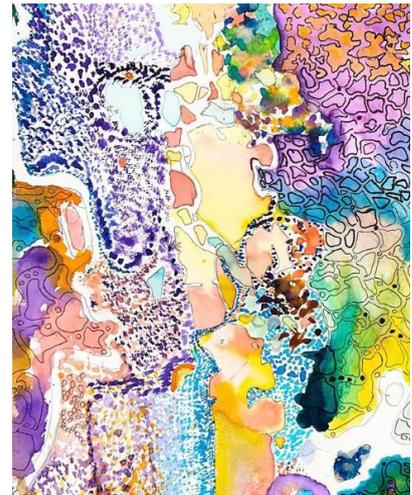

# SECONDARY PARENTS

**SECONDARY  
SKI TRIP  
PARENT MEETING**  
(after half term)  
Wednesday  
26<sup>TH</sup> February  
17H00 - 18H00

Parents whose child is on the ski trip are invited to attend a short meeting at Trinity Secondary school on Wednesday 26<sup>th</sup> February 2020. The meeting will take place in Trinity Hall and Mr Hutton will provide you with all the information on travel arrangements and clothing necessary for the trip.

The meeting will take place at 17h00 and should be finished by 18h00.

**TRINITY PUPILS ARTWORK – contemporary & creative**

Visit their work on Instagram at

[Trinity\\_art\\_department](https://www.instagram.com/trinity_art_department)

# KNOWLEDGE ORGANISERS

In the secondary phase please talk to your son / daughter about their knowledge organisers. Do look back at the previous knowledge organisers from before Christmas (Michaelmas Term) – all the knowledge needs to stick and stay in their memory. It is worth keeping them, do they still have last year's knowledge organisers? These documents show the accumulation of knowledge the pupils are developing over time. Half term is a great opportunity to revisit these.

If your child has misplaced his knowledge organiser, he/she can still access both the Michaelmas Term and Lent term knowledge organisers from our website (trinitylewisham.org). They can be found on our website on '**SECONDARY PHASE**'. Click on Secondary Phase tab and then click on '**CURRICULUM**' on the top bar. Look on the right side and click on **KNOWLEDGE ORGANISERS & CONTENT**. The page will open up reflecting each year group with button links to the Michaelmas and Lent knowledge organisers. Click on the relevant button to open the book.

For knowledge organisers last year you are able to access them from the same section but will need to click on '**ARCHIVED KNOWLEDGE ORGANISERS**' which is below the Year Group buttons (see below).

## KNOWLEDGE ORGANISERS & CURRICULUM CONTENT

Please find below the current knowledge organisers. Pupils have all been given a copy at the start of term. A new KO will be given out after Christmas and just after Easter. These show you the content we will be covering in all the subjects as we go through the year. Please use this as a guide for you to support your son / daughter with their learning at home. Spare copies can be bought from the school or downloaded below. If you wish to discuss any techniques with KO please contact the school as we do offer parent support workshops as well.

### Retrieval activity ideas

Knowledge organisers are for **learning and mastering** the knowledge in each subject. There are many different ways you can do this, however some **PROVEN** methods to try in your work book are:

## 4 Methods of Retrieval Practice

### Retrieval Practice Examples

- \* Exit Tickets
- \* Starter quizzes
- \* Multiple choice quizzes
- \* Short answer tests
- \* Free write
- \* Think, pair, share
- \* Ranking & sorting
- \* Challenge grids

**BRAIN DUMP**

Write, draw a picture, create a mind-map on everything you know about a topic.

Give yourself a time limit, say 3 minutes. Then have a look at your books & add a few things you forgot.

**FLASHCARDS**

Create your own flashcards, question on one side answer on the other. Can you make links between the cards?

You need to repeat the Q&A process for flashcards you fail on more frequently & less frequently for those you answer correctly.

Before you start put away all your books & classroom materials.

**QUIZZING**

Create practice questions on a topic. Swap your questions with a partner & answer.

Question - What is a metaphor?

- A comparison using 'like, as, than'.
- A comparison where one thing is another.
- A comparison with a human attribute.

**KNOWLEDGE ORGANISERS**

Complete a knowledge organiser template for key information about a topic.

You can use knowledge organisers to learn new vocab & make links in between subjects or ideas.

After you have retrieved as much as you can go back to your books & check what you've missed. Next time focus on that missing information

# THE IMPORTANCE OF SUSTAINABLE PACKAGING

Did you Know....

That 275,000 tonnes of plastic is used in the UK every year and 79% of that ends up in landfill or the natural world? We've all seen Blue Planet so it is no secret that the fight against single-use plastic is on and the time for action is now! By making simple swaps to more sustainable packaging choices you can make the world of difference.

**NEARLY 80%** OF ALL PLASTIC ENDS IN EITHER LANDFILLS OR THE ENVIRONMENT

PLASTICS THAT END UP IN THE OCEAN KILL 1,000,000 SEA CREATURES EVERY YEAR

8 MILLION TONNES OF PLASTIC ENDS UP IN THE OCEAN EVERY SINGLE YEAR

**20 TIMES**

MORE PLASTIC IS MADE AND USED TODAY THAN IT WAS 50 YEARS AGO

**LESS THAN 10%**

OF PLASTIC WASTE IS RECYCLED

PAPER AND CARDBOARD TAKES 2-12 WEEKS TO BREAKDOWN COMPARED TO 500-1000 YEARS FOR PLASTICS

3 OUT OF 4 SHOPPERS PREFER PAPER BASED PACKAGING ABOVE PLASTIC FOR ITS SUSTAINABLE CREDENTIALS

**70%**

LESS ENERGY IS NEEDED TO RECYCLE AND REUSE PAPER COMPARED TO MAKING IT FROM RAW MATERIALS

## IMPACT OF PACKAGING

PACKAGING ACTUALLY PROTECTS 10 TIMES MORE RESOURCES SUCH AS ENERGY AND WATER THAN IT USES. THE PACKAGING MARKET CREATES HAPPY, SUSTAINABLE SUPPLY CHAINS FOR TRADITIONAL AND ECOMMERCE BUSINESSES THROUGHOUT THE WORLD.
