Dear Trinitarians

I hope you have enjoyed the amazing sun this week – fingers crossed it survives through half term which begins at the end of next week. We ran an extremely successful parent workshop at the primary site using our speech and language therapist on Tuesday. She met parents at the end of the day inside looking at how sharing stories can be the best way to develop a child's language. She looked at the theory and then explored different books giving tips on how to bring them alive. She continued this outside in the playground and modelled how to read stories to a much larger audience. Thank you to all those that came and we hope you have developed your skills to support the learning journey at home. We wish to also thank all the parents that came along to the 'For Jimmy' Safer Haven project presentation on Monday. This had our very own pupils talk about safety in the community and how we can work together to ensure everyone remains safe and happy around Lee and Hither Green. This is a project we have run across both the primary and secondary phase and has had a huge impact on our pupils. Please do talk about safety in the community, with crossing roads, talking to strangers and how to remain safe if on their own. Safety is paramount.

As well as safety on the streets we have also been looking at healthy body and minds this week at school. Looking at staying healthy with our eating, exercise and keeping our minds healthy. We have also discussed body image with some of the pupils. All of us live with our bodies as they evolve and change. We all have a role in shaping an inclusive culture where we help others feel comfortable in their own skin (for more information visit www.mentalhealth.org.uk). Making pupils aware of mental health is very important, as well as teaching them strategies of coping when under pressure or stressed. We have spent the week talking about mental health, as this needs to be seen as a healthy process. It is normal to experience different emotions and pupils need to recognise the emotions and how they can support these. Please do continue these discussions at home. There is also free, safe and anonymous online counselling and support available for young people – Kooth.com. We have run assemblies introducing this service, so that they can find support on any of their concerns. Lewisham has also got a one-stop support service for the young people in Lewisham. This is for Emotional health and well-being, Sexual Health and Drugs and Alcohol advice / support. They can be called on 020-8690-3020 or visit them on www.compass-uk.org.

We continue our public exam season this week. It has kicked off brilliantly and our pupils have been amazing. We have pupils in clusters around the site revising throughout the day, before school and after school until 6pm. We have breakfast club to make sure they are looking after their bodies as well as sports clubs to keep them active and stress-free. A group of pupils have been running mindfulness sessions all week which has been growing as pupils feel it really is supporting them and helping keep their feet firmly rooted on the ground. Our thoughts and prayers are with them through this pressured time. After half term they will have only two full weeks of exams left.

Have a great weekend and a beautiful week. Take care.

PRIMARY PHASE

Dear Trinity families,

I am extremely proud to announce that we have been awarded the Primary Science Quality Mark. Miss Stevenson, our science lead, has driven the teaching and learning of science across the school and our pupils have amazing opportunities to learn because of her and our fabulous, dedicated teachers and teaching assistants. Please see the blog for more information and to read what the report says about science at Trinity.

It was fantastic seeing so many pupils engaged with vegetarian week across Trinity. Mrs Varghese, our food technology lead, organised for all our lunches to be vegetarian on Monday through to Friday and was bowled over by how many Trinitarians enjoyed their meat free meals!

On Wednesday we also had a special Key Stage Two worship with the Bosh Team who taught us how to cook a quick and tasty vegetarian 'Bosh Bowl'. Pupils in Years three, four and five then had the opportunity to create the dishes themselves during workshops from Cook School, with help from our secondary phase pupils. Check out the blog to see it all in action.

We have lots of fun planned for next half term. Each Friday of the half term will have a fun theme, including Diversity Day, Immersive History and Sports Day. More information can be found later on in this newsletter.

As ever, I wish you the very best of weekends, full of rest and fun, ready for learning on Monday.

PARENT WORKSHOP: STORYTELLING WITH STEPH

This week we had a parent workshop run by Steph, our Speech and Language Therapist. She met with parents and explained how sharing stories can be the best way to develop a child's language. She explained the theory behind how children learn language and gave them helpful tips on how to do this whilst sharing books at home.

CHAPLAIN'S CORNER By Reverend Juliet Evans

God's peace, which is far beyond human understanding, will keep your hearts and minds safe in union with Christ Jesus. In conclusion, my friends, fill your minds with those things that are good and that deserve praise: things that are true, noble, right, pure, lovely, and honourable. Philippians 4:7-9

Jesus said: My sheep hear my voice. I know them, and they follow me. John 10:27

This week in Worship we have been thinking about mental health awareness week and how we can fill our minds with good things to keep us pure and lovely and right. We thought about how we can care for ourselves and each other. We also remembered that last Sunday was Good Shepherd Sunday, a time to remember Jesus the Good Shepherd cares for us and that as followers of Jesus we are to care for others.

The sheep know the shepherd's voice. We can also know the voice of Jesus because it speaks with love.

This mental health awareness week we need to remember to speak with love to each other and to ourselves so that we create positive attitudes and healthy minds.

Risen Christ

Faithful shepherd of your Father's sheep:

*Teach us to hear your voice
and to follow your command,
to love each other as we love ourselves.*

Amen

PRAYER WALK

7am Thursday 30th May

Meet at Good Shepherd, Handen Rd

Ends in Mountsfield Park

with coffee & pastries at 8am

This year we're planning something special to mark **Ascension Day** and **'Thy Kingdom Come'** - the 10 days of prayer between Ascension and Pentecost. Join Christians from Good Shepherd & St. Swithun's Churches to do a prayer walk around the local area. We will stop along the way to pray.
Dogs & children welcome! Bring a brolly or raincoat if it's wet.

RESTORE THE MUSIC:UK

Trinity Music is proud to be able to announce their successful application for £30,000 funding from the charitable organization, Restore the Music UK.

RESTORE THE MUSIC UK is a UK registered charity, which seeks to reinstate access to music for every child in primary and secondary schools across London. The charity offers £10,000 to £20,000 grants to schools for the purchase of musical instruments and tuition, thereby re-establishing music as a birth right for every child, rather than an option for the privileged few.

The money will enable every Year 4 to learn either Violin or Cello and every Year 7 an orchestral instrument, within their class music lessons for a year, from September.

The delivery of these lessons will be by our talented Music staff, Mrs Lowe and Mrs Bibby-Thompson, and will be supported by staff from The Conservatoire, Blackheath.

All Parents – Walk to School Week

The countdown is on to **Walk to School Week 2019**! The five-day **walking** challenge will be taking place from 21-25 May. Join the thousands of **schools** taking part and feel the benefits of **walking**. The initiative, helping to get more pupils active and reducing congestion and pollution is a no brainer.

CONGRATULATIONS

The following students in Year 10 passed this week their Level 2 certificate in "Fundamentals of Financial Services"

The qualification is aimed at Finance professionals, and introduces them to the concept of bonds, equities and FOREX (foreign exchange) amongst other things and is worth 10 UCAS points. We are delighted to have been able to offer this course for the 4th year running to interested students as an enrichment activity and look forward to a new group starting with us next academic year.

Watch this space for more news as a second group of Year 10 pupils take their exam in July.

We wish them every success.
