Dear Trinitarians

This week our year 4 have been on their residential trip to Kingswood and have just returned full of wonderful stories about their amazing time. It is great seeing them live life in all its fullness, as our vision states. Getting our pupils to take part in different opportunities ensures they experience more of the world around them and helps them develop into resilient and open minded young adults. We also had over 50 pupils take part in the Lewisham Schools athletics competition at Sutcliff Park, which saw us win several medals. On top of this some of our Year 5 pupils are looking at Safer Havens along with the Jimmy Mizen Foundation who also worked with year 7 last term. We have an important event this Monday for parents to attend around the Safer Haven project and the Jimmy Mizen Foundation are running a workshop for all parents from 1600 until 1700 at the Secondary site. Please do come along to find out more.

Next week sees our year 11 start their formal public exams. Please do send your prayers and good wishes in support. I am extremely proud of our pupils and they are working incredibly hard at the moment. We also continue our focus on Mental Health with several different assemblies and events geared at looking at what support there is and how we can all develop our caring nature to support and celebrate diversity amongst us all. Next week is the Mental Health awareness week and the TV will be filled with different programmes that will help us all understand the issues surrounding this.

We have the Trinity School Summer Fair coming up on Saturday 15th June from 12pm until 3pm at the Primary School site. This is an amazing family afternoon of fun, a great time to come and support the school, have some wonderful food, and help the school fundraise. The PAFT team are an amazing group of volunteers and do need the support of all our parents from across the school. Even if your children are much older, come along and help us raise money. I wish to take this opportunity to thank the team of parent helpers who are working tirelessly behind the scenes to make sure the afternoon is fun packed for all.

Keep up the great work and have an amazing week.

Take care

PRIMARY PHASE

Dear Trinity families,

There will be lots of tired Year Four pupils this weekend! Miss Kaur, our Outdoor Provision Lead, was extremely proud of everyone involved in the residential trip to Kingswood. All pupils participated in the fun activities – no matter how daunting they were! They were role model Trinitarians, not once giving up. A big thank you to all staff who gave up their own time to make this trip possible. Check out the blog to see some of the wonderful things our pupils got up to.

The character-developing opportunities on offer at Trinity continued with our Year Fives resuming their work with the For Jimmy Foundation this week. As part of Trinity becoming a Safe Haven through this project, the foundation is offering a free parent workshop next week for all Trinity parents at the Secondary site. More information is available further into this newsletter. I hope you are able to attend.

On top of that, we have some speech and language parent workshops coming up in the next two weeks. Again, more information is available further into this newsletter. Miss K is also available should you wish to enquire about them.

It was a pleasure seeing our Trinitarian musicians help develop a unique piece of music and dance routine for their upcoming performance at the Greenwich Meantime Festival to celebrate the reopening of the Painted Hall at the Royal Naval College. The music and dance specialist teachers from Trinity Laban, who are collaborating with us on this project, were really impressed with our pupils' contributions.

Finally, next week, we will be welcoming back 'Cook School', following their successful first visit earlier in the year. This time, Mrs Varghese has organised for all classes in Year Three, Four and Five to participate in a workshop focussing on vegan and vegetarian recipes. I look forward to sampling some of their creations!

As ever, I wish you the very best of weekends, full of rest and fun, ready for learning on Monday.

YEAR FOUR CONQUER KINGSWOOD

Year Four had a fabulous week on their residential to Kingswood this week. We had so much fun conquering our fears, building resilience and working as a team. Everyone was a Terrific Trinitarian and did not give up during any activity.

MR JANES TEACHES US ABOUT RAMADAN

On Wednesday, Mr Janes led whole school worship and spoke to the children about the Muslim festival of Ramadan. He shared lots of facts about the festival and why it was such an important month for Muslims. He also asked some of our Trinity Family to share their experiences of Ramadan.

CHAPLAIN'S CORNER By Reverend Juliet Evans

Ananias went, entered the house where Saul was, and placed his hands on him. "Brother Saul," he said, "the Lord has sent me - Jesus himself, who appeared to you on the road as you were coming here. He sent me so that you might see again and be filled with the Holy Spirit." At once something like fish scales fell from Saul's eyes, and he was able to see again.

Acts 9:17-1Ananias went, entered the house where Saul was, and placed his hands on him. "Brother Saul," he said, "the Lord has sent me - Jesus himself, who appeared to you on the road as you were coming here. He sent me so that you might see again and be filled with the Holy Spirit." At once something like fish scales fell from Saul's eyes, and he was able to see again. Acts 9:17-18

The conversion of St Paul is a story about radical change. At the heart of our faith we have St Paul who shifted his position as a persecutor of Christians to being one of our most important Christian heroes who was instrumental in the spread of the Gospel. If we open our eyes and our hearts to the world and try to see it though God's eyes of love, we will have to change. Changing ourselves to be our best selves is important but there are also changes we need to make collectively. One example of big change that is needed in our world today is Climate change which is something which we are beginning to wake up to and something which needs transformation.

God grant us the serenity to accept the things we cannot change, the courage to change the things we can, and the wisdom to know the difference. Amen (From the Serenity Prayer by Reinhold Niebuhr)

Year 11 Saturday Sessions and Half term study:

There will also be an opportunity for pupils to come to school over the half term holiday for silent study sessions from 9am-3pm, these are optional sessions, but we do hope that if pupils feel they will benefit from them that they will attend. Ms Adnit and Mrs Mc Laughlin are also running Saturday school sessions for Geography pupils and Ms Facey is running Saturday silent study sessions, please see the dates below:

YEAR 11 SATURDAY SESSIONS & HALF TERM SESSIONS

All Parents - INVITATION 13TH MAY AT 16HOO

Are you concerned about your child's safety travelling to and from school and being out and about in the community!

The safety and wellbeing of our children is of paramount importance and we can all make a difference. Please come and find out how we as individuals and as a community can help make our children safe and make our community a better place for young people.

Come join us for Tea, coffee and cookies on Monday 13th May at 16h00. All parents from Year 5 to Year 11 are invited to attend.

Come meet the 'For Jimmy' team and let us Trinity Secondary Site, Taunton Road, learn how to become a caring and safe community. Together we can make a difference.

Connecting communities

For Jimmy works hard to give young people a voice and subsequently a stake in their community

Many young people do not have an accessible forum in which they can express their safety concerns to those with the power to implement systemic change. Our Safety Conferences provide a platform for young people to express their safety concerns; ensuring young people lead on the planning and delivery of positive social action.

For Jimmy builds connected communities, through facilitating a space in which a wide range of community members interact and build understanding, empathy and trust. This year's Safety Conferences in Deptford and Lewisham brought together young people from 15 different schools to meet with members of Lewisham Council, the police force and the business community.

"The safety conference gives young people a voice because we get to see how change can actually happen. The process has given us confidence... if we really want to make a change then it is achievable"

See you on Monday - let's make a difference

When : Monday 13th May

This week saw the launch of the Trinity Green Team who have wasted no time in trying to make the school more eco-friendly. For our first initiative we have signed up to the Walker's crisp packet recycling scheme.

Students are being asked to take all their empty crisp packets to Miss DiRicci or one of the Green Team members who will then take them to the local recycling collection point.

What can YOU do at home?

You don't have to completely change your lifestyle to be more eco-friendly. Simple changes, such as having a RE-USEABLE WATER BOTTLE can make a difference. If you don't already have one, why not get yourself one today? And one for your child too – we have water fountains at school they can refill bottles from.

Why not also join in with our crisp packet recycling? You can take your empty packets on a Monday or Wednesday between 6 and 9pm to the Ted Ray Scout Hall, 123-127 Springbank Road, SE12 6SS.

Congratulations on your Game Stars Bronze Award

SCHOOL Trinity School

PUPIL NAME – Amy Blake, Daniel Akouya, Felix Hutchinson, Deandra Young and Malise Manso

Thank you for entering your student for the Game Stars competition. This is the first year that the competition has been run by Taste of Game and the Food Teachers Centre and the judges were overwhelmed by the quality and number of entries. The skills shown, the creative ideas to meet the brief of 'Game with a Modern Twist' and the quality of cooking from the photos presented were very exciting. We had a hard time shortlisting.

We would like to congratulate your school on receiving a Bronze Award from the judges for the idea that your student submitted. You will be receiving a Bronze Award certificate after Easter to present to them. We hope that you can make the certificate presentation a special occasion to reward their efforts, we hope that you will share with us and on social media photos of your student receiving their certificate.

We do hope that you will take part in any of our future competitions as the judges certainly loved the submission and want to say a BIG WELL DONE.

Best wishes and thanks for entering,

Louise and Annette

THINGS TO DO AROUND LONDON

About the Grant Museum of Zoology

The Grant Museum of Zoology is one of the oldest natural history collections in the UK, and is the last remaining university natural history museum in London. Home to 68,000 zoological specimens, the collection is a unique window on the entire animal kingdom.

Grant Museum of Zoology

Rockefeller Building University College London 21 University Street London WC1E 6DE

Tel: 020 3108 2052

email: museums@ucl.ac.uk

The collection contains specimens from a number of former university collections such as Impenial College London and Queen Mary University of London in addition to material from London Zoo and various London hospital comparative anatomy collections. The museum also has specimens from the collections of Thomas Henry Huxley, Karl Pearson, Victor Negus and Doris Mackinnon, and material from the Discovery Expedition and Challenger Expedition. The collection contains a wide range of material including; fluid preserved, pinned entomology, taxidermy, freeze-dried and skeletal specimens. The Museum's Catalogue is searchable, to carry out any research with or on our collections please contact the Museum's Curator.

Bring along your budding zoologists for our family hands-on specimen based activities and be inspired by our collections and enthusiastic museum educators. Come along and be amazed at the natural world.

Drop in between 1pm and 4pm, this event is free and there is no need to book.

Grant Museum of Zoology

Get to know your dodo from your quagga at the last university zoological museum in London

Entry to the museum is free. We are open Monday - Saturday 12:00-17:00 (including bank holidays).

Planning your visit

The museum is closed for Christmas between 22 December 2018 - 1 January 2019 and Easter between 17 April - 22 April 2019.

We are open for group and research visits on weekday mornings 12am - 1pm, when advanced booking is required.

The museum velocines family visitors warmly. Childres, however young, as well as adults get a great deal out of their visits but please note that children under 11 must be accompanied by an adult.

Any groups of ten or more must book in advance. This is to avoid clastices - the museum is used for a number of purposes and smit soled to more than one large group at ance.

Access to the museum, and all public areas within it, is step free. There is a shallow ramp leading up to the main entrance from the street

STREET ART FOR THE COOL KIDS

You just have to start here - with the luminous, tacky, glorious God's Own Junkyard neon shrine in Walthamstow. A huge warehouse-sized assemblage of vintage signs and neon lights are part of the collection of the late artist Chris Bracey, who eventually ended up making neon props for Hollywood directors. There are religious statues, disco balls, and neon signs aplenty all for sale or for rent, and a cafe on site.

Next, try the Leake Street graffiti tunnel under Waterloo Station, which is the largest legal street art area and home to original Banksy works as well as an ever-changing display of talented graffiti artists. There are plans to regenerate the area and the arches in the tunnel are set to house pop-ups, a sensory space and bars and cafes, but until then, it's a thrilling place to wander on your way to street food stalls outside the Royal Festival Hall.
