## TRINITY PRIMARY NEWSLETTER

Dear Trinity families,

Firstly, I wish you all a very happy new year. It has been great to be back at school with your wonderful children. We have started as we mean to go on and have got straight back into learning. Reception classes have begun their new topic of 'Where in the World' and have been busy learning all about London this week. Their writing about our great city and their fantastic pictures of London buses will look glorious on display! Year one have made a great start to our art theme for the half term: collage. There was fun had by all whilst creating their own fruit collages. Lastly, Year two have written some epic sea myths, full of brave warriors and fierce sea monsters, which will have you on the very edge of your seat!

I have included some dates for key events coming up in this term overleaf, please take a note of them or stick on the fridge. Here's to another great year at Trinity.

As always, I wish you the very best of weekends, full of rest and fun, ready for learning on Monday,

### Reception Chefs!

Reception classes had a fantastic time in our food technology room this week, creating their very own cucumber sandwiches... Yum yum!

### Come and learn how we teach phonics at Trinity!

This will be a practical and informative session led by Mr Wills. There will be an opportunity to ask questions and learn how to best use the sounds when helping your child with homework and reading.

Friday 22<sup>nd</sup> January at 9:15am  
and Thursday 4<sup>th</sup> February at 2pm

### Have you got...?

We always appreciate items that you send in. Next term Reception children are starting a topic called "Where in the World". We need: Travel agent brochures, old boarding pass-es, old suitcases/luggage, foreign currency (not of high value!), postcards, menus and recipes. If you have a particular story or artefact that might be of interest, please speak to the Early Years team.
