## TRINITY PRIMARY NEWSLETTER

Dear Trinity families,

What a fantastic week it has been, with lots of learning taking place inside and outside of the classroom.

Next week we have two different workshops taking place in order to help parents and carers gain a better understanding of how we deliver our curriculum.

- **'Help with Homework'** with Miss K— if you feel you would like support when helping your child at home with their homework, then come along and we can complete some together and answer any questions you may have.
- **'Curriculum Evening'** led by Miss Kaur— this will be an opportunity for adults to see how we teach maths across the school and take home some resources to support your child with their learning.

Please see the attached sheet for more details, we hope to see you there.

As ever, I wish you the very best of weekends, full of rest and fun, ready for learning on Monday.

TRINITY ALL THROUGH SCHOOL: LEARNING, LOVING, LIVING

### Parent Pay:

Today you should have received a letter with the details regarding our new 'Parent Pay' system. This is a cashless system that allows you pay for school dinners directly. Lots of parents have asked for a system like this and we are now happy to inform you that it is up and running.

Parent Pay will be introduced **after February half term** and you will need to register in order to be able to use the system (please see the Parent Pay letter).

If you need any help, Uloma our Office Manager from the secondary school, will be setting up a 'help desk' in the hall on **Thursday 8th February** and **Thursday 22nd February** at 9.00am. The first date will be before registration needs completing so please do attend if you are unsure of how to register.

This service is currently only for lunches, however later for you will be able to pay for class trips through this system too. Therefore it is vital that you sign up, even if you are currently in receipt of free school meals and do not pay at the moment.

### NSPCC fundraising:

Please remember to bring your sponsorship forms in on **Monday**. A representative from the NSPCC will be coming to collect them and give a thank you assembly to the children.

### School Photos

Don't forget– it is individual and sibling photos on Monday so make sure the children come with their best smiles!

### Chislehurst Caves

This week Year 3 went to Chislehurst Caves. It was an amazing trip and something many of the children would never have experienced before. They even got to bring back some real flint to keep!

### Skilled Volunteers Needed!

PAFT is making plans to transform the hidden garden area of the playground. Before we ask you all to show up with a trowel and a paint brush, we need a few volunteers who can help us prepare the area and make it safe. Do you know anyone who has the following skills and can volunteer a few hours of time to help Trinity Primary?

We need people who have the following skills:

- General building experience
- Anyone with a steel cutter?
- Masonry
- Carpentry
- Garden landscaping and design
- Plumbing
- Electrical work

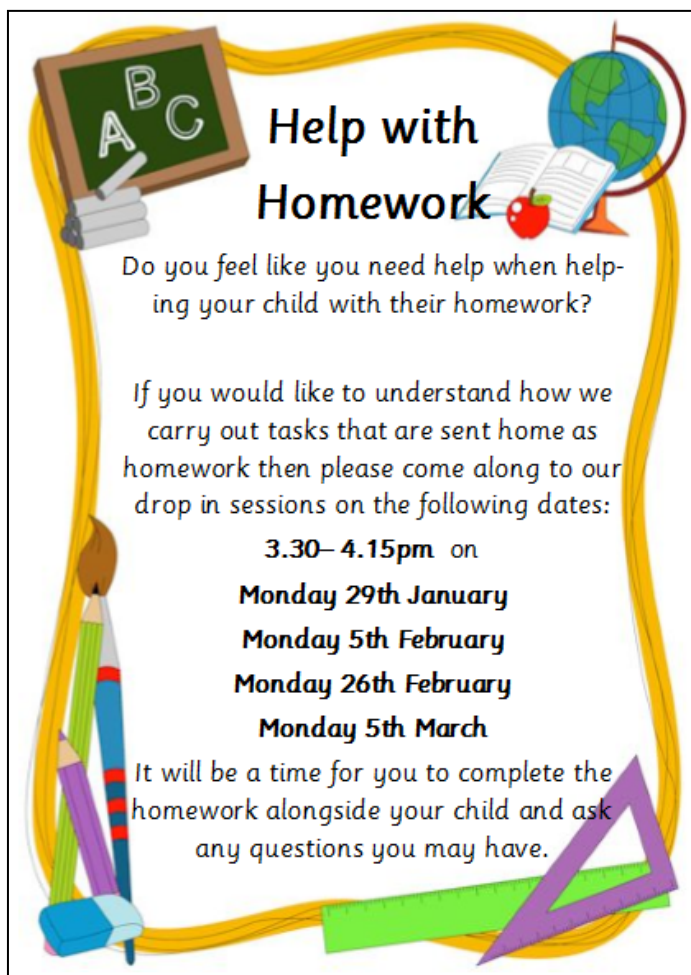

Please email [PaftTrinity@gmail.com](mailto:PaftTrinity@gmail.com) if you know someone who can help.

Thank you!

## Help with Homework

Do you feel like you need help when helping your child with their homework?

If you would like to understand how we carry out tasks that are sent home as homework then please come along to our drop in sessions on the following dates:

**3.30– 4.15pm on**  
**Monday 29th January**  
**Monday 5th February**  
**Monday 26th February**  
**Monday 5th March**

It will be a time for you to complete the homework alongside your child and ask any questions you may have.

## Curriculum Evening

**Wednesday 31st January**  
**7.00– 8.00 pm**

This will be an opportunity for you to see how we teach mathematics across the school and take home some resources to support your child with their learning.

We will also be talking about the importance of reading at home and share strategies in order to make this happen.

'Grown up' refreshments will also be provided
