TRINITY PRIMARY NEWSLETTER

Dear Trinity families,

We have had a fantastic week here at Trinity where we have been learning inside and outside of the classroom.

This continues next week as we have a very busy week with lots of classes out on school trips. We value learning outside the classroom here at Trinity and feel proud of the opportunities we provide for our children such as visiting theatres, museums and even art galleries. Keep an eye on our blog to find out about all of the exciting places we get to visit.

As ever, I wish you the very best of weekends, full of rest and fun, ready for learning on Monday.

TRINITY ALL THROUGH SCHOOL: LEARNING, LOVING, LIVING

Hither Green Festival

This evening our Year 1 choir stole the show at the Hither Green Music Festival. They performed a medley of African songs and were accompanied by some of our very talented musicians in Year 4. We also had a solo performance from Cassius in Year 4!

Fruit and cake sale next Wednesday 23rd May!

As always, we will be hosting a 'cake sale' in the last week of half term. However Year 1 will be hosting it with a twist! They will be holding a fruit and cake sale! All donations of fruit (we will prepare) and baked items welcome, especially any sugar smart options.

Logan Lee Gets His Kicks

Monday 25th
June 2.30- 3pm

PAFT is hosting a children's play 'Logan Lee gets new kicks,' on Monday 25th June starring pupils and teachers. It will be performed to all pupils and we welcome parents and carers to come and support in the spirit of 'never giving up, never giving in, never throwing your dreams in the bin.'

We will be inviting **key stage 2** pupils who are interested in performing to meet at lunchtime on **Thursday 24th**. Interested in getting involved? Come along. More via Miss K!

Year Three visit the Aquarium

Year Three had a wonderful time on Monday at London Aquarium! We were so excited to see the rainforest animals which we have been learning about, including a goliath bird-eating tarantula, a poison dart frog and crocodiles! We also enjoyed looking at the marine life - especially the sharks, penguins and sea turtle!

1K's Class Assembly

1K took us on whistle stop tour of what a day inside their classroom looks like for their class assembly this week. We heard a maths rap about doubles, listened to some fantastic retellings using adjectives and learnt how to label a (human) plant!

The children were extremely confident and loved showing off their learning!
