

THE TRINITY TIMES

Friday 20th April 2018

Welcome to our Trinity Times newspaper, written and produced by Trinity Voice.

hello

What is the newspaper for?

Our aim of this newspaper is to share with you what we do as Trinity Voice and give you an idea of what school life is like at Trinity Primary.

What have we done so far?

We have led whole school worship and introduced ourselves to the school. We wrote the lines ourselves and planned out what we wanted to tell the children.

We also helped Miss K review worship and told her what we liked and what could be better.

Some of us have also met the Mayor Lewisham!
We were invited to go along and hear the Mayor speak about initiatives that are happening across Lewisham. We then had to answer a quiz about what we had heard- and guess what- we won!
