# Message from the Head

By David Lucas

Dear Parents/Carers

I wish to thank you for your full support this first half term of the new Academic Year. The seven weeks have flown by and the pupils have achieved so much. We do wish you and your family a fantastic half term. We return to school at the usual start time on Monday 29<sup>th</sup> October 2018. The new half term is 8 weeks long, but filled with many events. During this time we have our Year 11 PPE (Pre Public Exams – Mock exams), Year 10 have 2 weeks on work experience, Staff training, assessment weeks for all our year groups and all our Christmas events. A very busy time ahead.

New Knowledge Organisers will be issued to pupils on the first day back after half term. Please make sure during this half term that your son / daughter has been through and consolidated all they have learnt this year – so they are ready for the new booklets. These new booklets will go into the same pack.

Today is our Diversity day at the secondary site. We have pupils dressed in different cultural outfits, sharing their culture and heritage in their lessons. This event has so far raised £395 for our Harvest charity. We also have a day full of events looking at Black History Month and a carousel of activities around healthy relationships and financial management. The whole of Year 9 are out at the Tate Modern. We have this week had the Metropolitan Police in school delivering a Make Peace talk around knife crime – which has been really well received. On top of this, during this week, we have managed to take all the year 10 Geographers out on a field trip to Greenwich and run the Young Mayor's election campaign including the whole secondary school taking an active part in the democratic process. Wow, after all of this we could all do with a rest . . .

Can I remind you that we are in the process of consultation for our admissions arrangements for 2020/21 entry (that is for the current year 5 in the primary). The consultation is on our website and has an email address you can make responses to if you wish to comment on the proposed changes. All comments raised will be taken to full governors before the policy is finally determined.

Finally the provisional league tables have been published. Please do look at the website for this link. We have substantially improved our outcomes this year and are much higher on the Lewisham league table, but also above many other schools across Greenwich and Bromley. This is due to the hard work of the pupils but also the determination and high expectations of all the staff – so a huge thank you to all the staff and pupils.

Have a really enjoyable half term.

## ACADEMICALLY ABLE AFTERNOON AT TRINITY

Thursday 18th Oct saw the inaugural Academically Able parental event when we unveiled at the secondary phase the strategy and provision for more able pupils inside and out of the classroom. Ms Blunden is the co-ordinator leading this work and she presented to parents the range of activities and enrichments that will encourage the accelerated progress of these pupils here at Trinity. Parents then had a taster of the types of lessons for these pupils across a range of subjects in order that they can support and help their children at home. Lots more curriculum activities, trips and events will take place across the year in order to ensure that pupils are enabled to successfully reach their academic potential and develop a life-long desire to learn.

## SCHOOL BEANIE'S FOR SECONDARY & PRIMARY PUPILS

### BUY A 'BEANIE' for £3.00 and support those in the community in need.

Trinity supports the BIG RED BOX every year to help those less fortunate and in need. This year, in addition to collecting food, Trinity will be donating all proceeds from the sale of the school 'Beanie' to the BIG RED BOX charity.

As a special, and in support of the BIG RED BOX Trinity will be selling the school 'Beanie' for £3.00. All sale proceeds will go directly to the charity. They are warm to wear, fully washable and bear the school logo on the front. Keep your children warm this winter and support a good cause. .

'Beanies' are available from both the Main Reception and Pupil Reception at Trinity Secondary school and reception at Primary - Hurry and grab a bargain as they normally retail for £4.99.

## YEAR 11 GEOGRAPHERS URBAN STUDY OF LEWISHAM

Year 11 Geographers were resourceful & resilient this week in not the best of weathers to complete the second part of their GCSE fieldwork assignments. The urban study looks at differences in quality of life across a locality so pupils take environmental surveys, conduct questionnaires and collect data from Lewisham, Lee Gate & Blackheath to prove that whilst Lewisham is a borough with high levels of multiple deprivation there are significant differences in our local area. Well done Year 11.

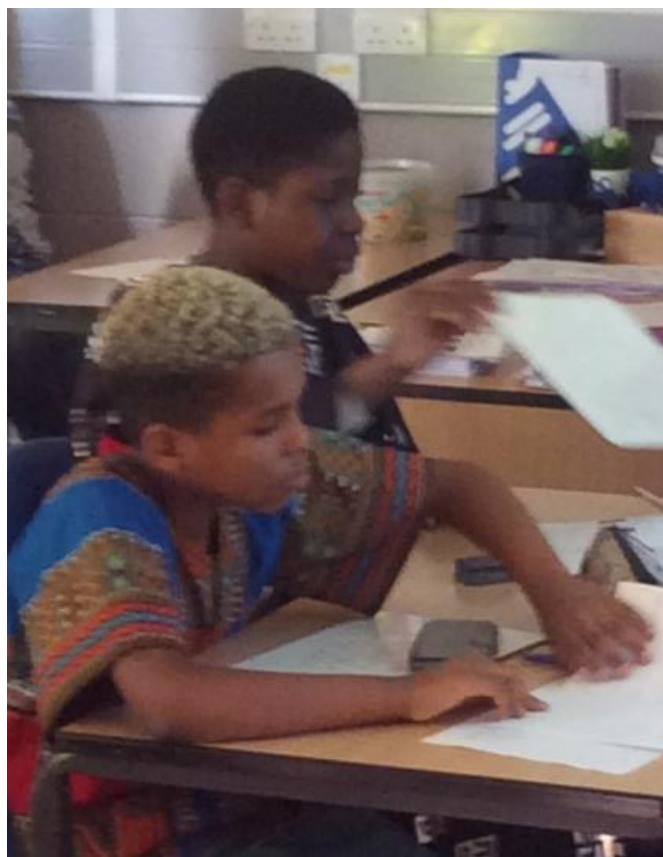

**REMEMBER QUIZ NIGHT ON THE 16<sup>TH</sup> NOVEMBER @ 7.00pm**

## DIVERSITY DAY AT TRINITY

**Diversity day at Trinity. Amazing celebration of all the different cultural backgrounds of our community. Staff and pupils looks wonderful and were proud to show off their traditional dress.**

## THINGS TO DO IN HALF TERM..... and most of them for free

### SCIENCE MUSEUM

London's Science Museum – where you can expand your mind and have a thoroughly good time. The museum features seven floors of exhibits including the show stealing Apollo 10 command module and flight simulator. It has spellbinding objects that have changed the world – pack a picnic, catch a bus or a train and go visit. Free Admission
