To our wonderful Trinity family

Blue skies and sunshine have certainly welcomed us back to Lent term 2. We are now over halfway through this academic year and, with only five more teaching weeks to Easter, the focus on final preparations for public examinations with pupils across the school is in full swing. We have assessment weeks for many year groups coming up (year 7-10 over the next 3 weeks and then the primary just before Easter), which are used to help inform us of where pupils are to ensure we can tailor the support for each individual. We have had an amazing week and have been extremely excited about all the events and activities that have occurred.

This week has been the first week of our Trinity Futures fortnight. This has involved NatWest running Money Sense workshops from year 1 right up and including year 5. This has looked at the differences between wants and needs, planning a party and even year 5 becoming Fraud Scene Investigators. Year 9 had a work shop from the Young Enterprise organisation, looking at entrepreneurial skills as well as a Careers Speed Networking activity that was fast paced and fun ensuring pupils were able to talk to specialists from over 20 different career paths. We have also had many guest speakers across the school talking to our pupils, including a TV presenter, the police force, a Capital FM DJ and Queens University. We have also had apprenticeship workshops, a Stock Market challenge and a large group of year 8 visiting Goldsmiths University. Next week we have a group going to the London School of Economics (LSE), an Architecture workshop, the London fire brigade visiting us as well as several CV and interview technique master classes to name but a few.

To help push our academically able pupils we had Potential Plus work with a group of parents from across year 7 and 8. Looking at the characteristics of the more able and giving useful techniques of how parents can further support and guide the talents of their children at home. On top of this we have signed up to the Royal Geographical Lectures which are open for all to come and listen to. We want all our pupils to live life in all its fullness – as our vision says. Let's help pupils feed their curiosity about the world around them by exploring what the experts in the field are looking at.

Alongside the academic push we also encourage our pupils to take part in sporting activities and the arts. We had a group of pupils take part in a Wallball tournament this week. They had never played the game before, so in the morning they learned from the coaches and in the afternoon they were challenged in a tournament. They had to be resilient to start with, reflective to help them improve and then use the knowledge to excel in a tournament. The team were open minded and worked well as a team. Consequently they won. Perseverance can make a difference – what amazing Trinitarians they are.

Can I remind parents of year 7-11 that the pupils should be spending quality time each night on their Knowledge Organisers (Year 7 it should be at least 60 minutes, Year 8 75 minutes and Year 9 and above at least 90 minutes). They need to be practicing their retrieval of the knowledge they are accumulating over time. This ensures it moves from their working memory to their long term memory. Please use these Knowledge Organisation booklets to test them at home to ensure they are developing the required knowledge to enable them to progress. Your support will make a huge difference.

Have an amazing weekend making more memories as a family.

David Lucas

Executive Headteacher

### PARENT GOVERNOR

#### ELECTION

One vote per parent. All votes to be placed in ballot box in main reception area of either Primary or Secondary. Closing date: Friday 8<sup>th</sup> March 2019 at midday. For information on candidates please go to page 4

### SECONDARY PHASE

#### Y9 Parents Evening

Thursday 7<sup>th</sup> March

3:30 – 6pm

#### CHILDNET

Interactive session

Limited places – book now

To be held on

Monday 18<sup>th</sup> March 2019

from 4pm to 5.30pm.

### EARLY CLOSURE ON MONDAY 11<sup>TH</sup> MARCH.

**SCHOOL WILL CLOSE  
AT 12H30 FOR  
TRAINING**

### PRIMARY PHASE

- Thursday 7<sup>th</sup> March is World book day
- Monday 11<sup>th</sup> to 15<sup>th</sup> March is Science Week
- Friday 15<sup>th</sup> March – Science Fair

# PRIMARY PHASE

Dear Trinity families,

It has been an exciting beginning to this half term. As part of Trinity Futures Fortnight, the primary phase have delved into the world of financial planning, with each class receiving a visit from a Natwest representative to talk all things money – including budgeting, mortgages and even the perils of financial fraud!

We have also had some very special visitors during worship time this week, all speaking about their unique profession. On Wednesday we had a visit from CBBC presenter Joanna Adeyinka- Burford; on Thursday the pupils had the chance to meet and ask questions to Ministry of Sound DJ George Thomas; and on Friday we had a visit from a local mechanic, Gabby Bullen.

Next week we will be visited by our very own secondary phase pupils, who will be speaking to the children about life in the secondary phase – a true insight into our Trinitarians' futures!

Next week we will be celebrating World Book Day in the primary phase. All pupils are invited to come dressed as their favourite book character and will be participating in lots of fun, reading-related activities. PAFT have also organised a 'Big Booky Breakfast' on that day. Please see the advert later in the newsletter for more information.

Miss Stevenson would also like to remind everyone that we have our fourth annual primary Science Fair on the 14<sup>th</sup> March. Please see the advert attached and speak to your child about any investigations they would like to showcase during the event. Prizes can be won!

As ever, I wish you the very best of weekends, full of rest and fun, ready for learning on Monday.

Darren Janes

Head of School  
Primary Phase  
Trinity all Through School

## TRINITY FUTURES FORTNIGHT: NATWEST MONEYSENSE WORKSHOPS

At the Primary Phase, we have kicked off the fortnight with a series of financial workshops run by Natwest. All classes participated in a workshop that was supported by staff from Natwest and helped bring the sessions to life.

<https://trinityprimarylewisham.blogspot.com/2019/02/trinity-futures-fortnight-natwest.html>

## TRINITY FUTURES FORTNIGHT: GUEST SPEAKERS

As part of Trinity Futures Fortnight, we have had three guest speakers, who all have a link to Trinity, join us during worships this week.

<https://trinityprimarylewisham.blogspot.com/2019/02/trinity-futures-fortnight-guest-speakers.html>

## HOME LEARNING LOG EXHIBITIONS: SPRING ONE

Like before, during the last week of half term the children were able to exhibit their home learning and share their achievements with their peers.

<https://trinityprimarylewisham.blogspot.com/2019/02/home-learning-log-spring-one.html>

## CHAPLAIN'S CORNER By Reverend Juliet Evans

*One day Jesus got into a boat with his disciples, and he said to them, 'Let us go across to the other side of the lake.' So they put out, and while they were sailing he fell asleep. A gale swept down on the lake, and the boat was filling with water, and they were in danger. They went to him and woke him up, shouting, 'Master, Master, we are perishing!' And he woke up and rebuked the wind and the raging waves; they ceased, and there was a calm. He said to them, 'Where is your faith?' They were afraid and amazed, and said to one another, 'Who then is this, that he commands even the winds and the water, and they obey him?'*

*Luke 8: 22-25*

In Trinity worship this week we have been reflecting on the story of Jesus calming a storm.

In the primary school we noticed that when the disciples were scared they asked Jesus for help. We thought about many of our fears and how they can get really big if we don't address them. So we discussed who we can ask to help us with our worries. We also noticed that Jesus asked the disciples where their faith was and reflected together how we can have courage to overcome our fears ourselves.

In the secondary school we are in Futures Week and so we thought about the things which can worry us about life ahead and how there are many opportunities in Trinity to help us engage with life in all its fullness beyond school. We also thought about the storms in our world we are most worried about and we learnt about Greta Thunberg who is a courageous 16 year old climate campaigner. Greta reminds us that we have the power to help to create our own future and our own hope: "We do need hope—of course, we do. But the one thing we need more than hope is action. Once we start to act, hope is everywhere."

*God of love  
As we remember Jesus calming the storm,  
be with us as we live through the many storms in our own lives.  
When we are scared, help us to find others who can help us.  
Give us faith and courage to make changes to our lives  
to bring us hope for our future  
So that we can live life in all its fullness.  
Amen*

## PRIMARY EASTER HOLIDAY CLUB

Dear Parents/Carers

We plan to run our Easter holiday club at our other site from Monday 8th of April to Thursday 18th April. The holiday club is open to all children from different schools.

The address there is:  
The Young Explorers club  
Our Lady of Lourdes church hall,  
45B Burnt Ash Hill  
Lee SE12 0AE  
TEL: 07452773838/  
07818062629.

We provide breakfast, lunch and dinner from 7am to 6pm at £30 per day. We offer a sibling discount too.

Our list of outings and activities will be sent out later. We usually visit a museum, parks, go bowling and have outside educational instructors.

We do arts and crafts daily and have a range of activities to suit children between the ages of 4 to 10 years.

Please let me know if this is possible.

Should you require further information, please contact me.

Thanks and kind regards,  
Anne  
(Young Explorers Club)

Executive Headteacher:

Mr David Lucas BSc (Hons) MA NPQH

## **NOMINATIONS FOR PARENT GOVERNOR**

### **SAMUEL- MOBOLAJI B. CAREW**

I am looking forward to taking your views to the place where change happens. I was born in Nigeria and moved to the UK at 11 years old. I'm an Infrastructure Manager and run workshops to help entrepreneurs increase their potential.

I am married with three children and another on the way. I serve in the local church on the technical team, children's church and host our community group.

I am applying to give a voice to parents, ensure that Trinity is exceeding its full potential and with your help, make a difference to the education that we secure for our children.

### **STEPHANIE PEREZ**

I have one child in reception and another will join in 2020 and therefore a vested interest in the success and future of Trinity.

Being a stay-at-home mother, I have both time and drive to invest in such an important role. I have previously managed a busy examinations department for an FE college in London, based across four separate sites and I know how vital the impact of results and funding. I was also an examiner.

I am always available in the playground at drop off and pick up. I'm friendly, approachable and already talk with many parents, children and teachers.

### **ELENI ROMANOU**

Like all of us, I want our children to have a happy and healthy childhood as well as a balanced and inspiring education. I work for the UK's leading children's charity and I know that it takes proactive support from parents, school, and the community to ensure children's happiness and mental health – this is what I would prioritise as a parent governor. I recognise the pressures and challenges that young people face, and 18 years of research experience under my belt I'll be able to bring evidence, children's perspectives, and your voices to the school board, scrutinising and challenging school policies and supporting the school to make sure Trinity is a safe and caring place to grow up.

### **EVETTE THOMPSON**

I have three children in Years 5, 3 and 2. I have seen Trinity Primary grow from the start to a now flourishing community.

I believe in inclusion, encouraging a growth mind-set and creating a fulfilling educational experience.

I worked 12 years as a voluntary youth leader, setting up initiatives from fun days to working with youth in prison.

I am a Product Manager, a strategic role that gives me the analytical and decision making abilities to add value to the school.

As an independent thinker, I can add diversity of thinking, which I believe brings optimal results.

LEARNING • LOVING • LIVING

## UPCOMING EVENT FOR PARENTS AT TRINITY SECONDARY

**Secondary parents** have the opportunity to attend an interactive session hosted by Childnet on on-line safety. The session is taking place on **Monday 18<sup>th</sup> March 2019** from 4pm to 5.30pm.

There are a limited number of spaces so if you would like to attend please contact main Reception to **book a place**. Places will be allocated on a first come first served basis. Only 1 adult per family. Please give your name and Child's name.

# SUPPORTING YOUNG PEOPLE ONLINE

CYBERBULLYING  
SOCIAL MEDIA  
DIGITAL FOOTPRINTS  
GEOLOCATION  
GAMING  
PARENTAL CONTROLS

Your school is hosting a Childnet online safety awareness session for parents and carers:

**When:** Monday 18th March – 4pm to 5.30pm

**Where:** Trinity Secondary, Taunton Road, SE12

© 2018 Childnet International Registered UK Charity No. 1080173 www.childnet.com V0418

**PARENT FORUM – THURSDAY 14<sup>TH</sup> MARCH @ 13H30**

**TRINITY SECONDARY PHASE**

**Dear Trinity Family**

There is a parent forum being held at Trinity Secondary on 14 March 2019, 1:30-2:30pm. This will be a fantastic opportunity to discuss behaviour and expectations at Trinity Secondary. The parent forum will be used to discuss the current detention and rewards systems and also discuss the school's new vision regarding pupil behaviour and character development.

*Mr Williams AHT Behaviour*

## SECONDARY NEWS

Well worth it

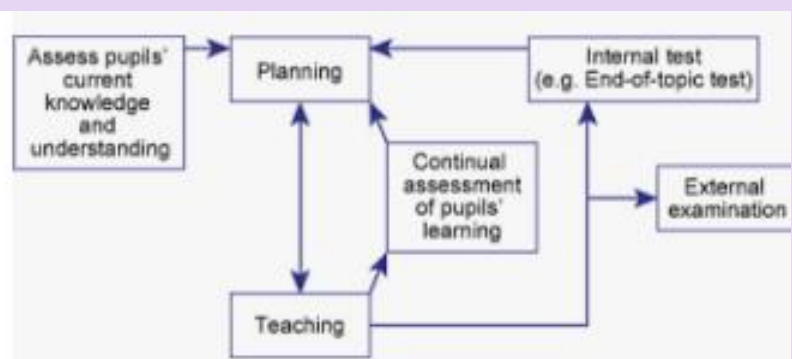

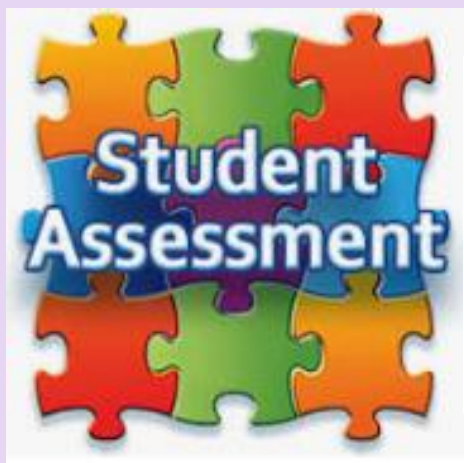

**ROYAL GEOGRAPHICAL LECTURES.**

"Grade 9 pupils show that they understand that the world is complex!"-Head Geography GCSE Examiner.

Develop your in-depth understanding of the world and the complex structures within it by attending the Monday lunch time Royal Geographical Lectures.

Fantastic knowledge for exams and great cultural capital development for 6th form and scholarship interviews!

Starts Tuesday 5th March and then every Monday. At 12.45 to 13.15 SG2  
Bring your lunch!

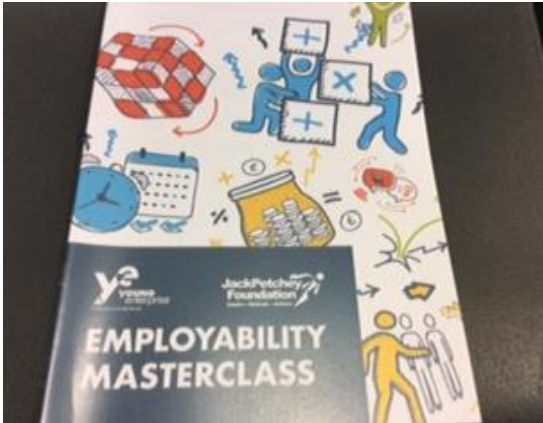

Next week commencing Monday 4<sup>th</sup> MARCH is **Assessment week for Year 7 & 8** – pupils in these Year Groups will be assessed in all subjects to give teachers the ongoing evidence they use to check progress and attainment. At Trinity our teaching and learning is based on the research around the use of retrieval practice, ongoing low stakes testing and regular constant mini-assessments which means that in the middle of the academic year for Years 7 & 8 we should be able to get a good picture of how well pupils are making use of their knowledge organisers, homework tasks and revision strategies in order to perform well in assessments. The most important thing is to constantly revise and go back over work covered in class to move this knowledge & understanding to one's long term memory in order to be able to use this information over and over again so it is embedded and can be accessed no matter how long ago it was taught.

**Year 9 Assessment week is w/c Monday 18<sup>th</sup> March** and Year 9 Parents Evening is Thursday 7<sup>th</sup> March, we look forward to welcoming all our Year 9 parents for this vital meeting to update you on your child's progress and achievement so far in their first year of their GCSE courses.

**Year 10 Assessment Week is w/c Monday 11<sup>th</sup> March** – A timetable for these exams for Year 10 is being finalised by Ms DiRicci and will be published to pupils and parents next week.

**Year 8 have their Parents Evening and Options Choices on 19<sup>th</sup> March** – an exciting time for them as they begin to think about the subjects they have an aptitude for to continue their studies with at GCSE. Pupils will have a series of assemblies given by Heads of Dept to explain what their subject involves at GCSE, small group interviews with a careers adviser and lots of help, support & advice from all staff in the run-up to them making their choices. There is a wide range of subjects to decide on and the idea is always that pupils are able to have this breadth to choose from so that when they leave Trinity to continue their studies elsewhere, all avenues of study are open to them thanks to the choices they were helped to make at GCSE at Trinity.

## SECONDARY NEWS

### JACK PETCHEY FOUNDATION

One of the activities for this first week of Trinity Futures was the Jack Petchey Foundation together with Young Enterprise working with all of Year 9 on an Employability Masterclass. This half day event covered all sorts of skills and attributes needed to make sure that pupils present themselves in a confident & positive fashion and made them really think about what it is about them that makes them shine & stand out from the crowd. Well done Year 9 on great personal pitches!

# DONMAR

### Watermelons and manufacturing the sounds of horror at the Donmar Warehouse.

Year Ten Drama students spent a day, courtesy of the Donmar Warehouse, exploring the possibilities of creating live sound on stage and fashioning storylines for a particular dramatic genre. It was a robust, creative day topped off by a spine tingling performance of the Donmar's current show, *Berberian Sound Studio* which challenged us all as an audience. Year Nine joined the Year Ten's for this experience which forced them to consider what it might be like when you can't understand everything going on around you (like the leading character) but have to try to find your (sometimes terrifying) way. They were an entirely delightful and engrossed audience!

Some impressive moments from the day were Jayden being unpacked from his superhero packaging by a perfectly paced Patience accompanied by the precise and spot-on sound generated by Foley artist Austeja's paper tearing and Martin's celery snapping. Nathaniel clearly needed answers so full of questions was he after the show and Kayla made sure she used the actor/director Q and A to get the answer to her burning question. Christian put his fatigue aside to enjoy the (very dark) comedy of the production.

These young actors are in the middle of devising their own piece of drama along with Joe, an associate director from the Donmar, and they will be performing these pieces on that very stage on Friday March 22nd. Please do let us know if you are interested in coming. All are welcome.

*The Donmar Warehouse is the home for leading artists to make world-class theatre. They share their work with as many people as possible. 'Powerhouses do not come much smaller, nor more powerful, than the Donmar Warehouse'*

## Queen's College School, Harley Street

### The Stock Market Challenge

On Tuesday 26<sup>th</sup> March, over 40 Year 10 students went to the historical Queen's College school in Harley Street to take part in a Stock Market Challenge. Trinity students were put in teams with Queen's College, and each took on the role of either Finance Manager, Media Analyst, Floor Trader or Investment Analyst. The aim of the game was to apply and develop their understanding of maths and use their reasoning skills by building up a portfolio of stocks and shares. Throughout the game there were regular "breaking news" items, fluctuating share prices, and daily news letters all of which the students could use to make informed decisions about which companies to invest in. Well done to Patrick Meehan and Tymothy Imurni for being part of the winning team, with an impressive final portfolio value of £1,984,940 (£1,084,940 in money and £900,000 in shares) from an initial investment of £15,000. Thank you to the staff of Queen's College, London for inviting us to take part in the day, and to Leila Barbaro for the fantastic photographs.

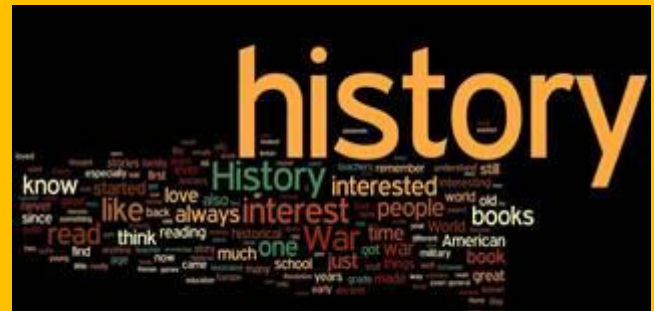

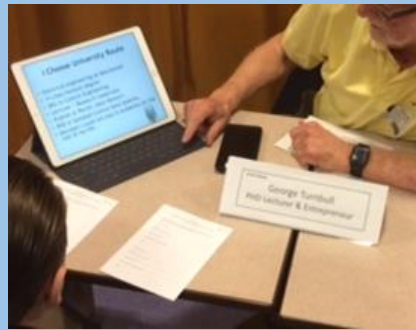

## ACADEMICALLY ABLE EVENING

Mrs Blunden was delighted on Thursday night to welcome Julie Taplin from Potential Plus to speak to parents of some of our academically able pupils. Potential Plus is an organisation whom we are working with that provides support, guidance, help and resources to ensure that pupils who demonstrate a higher learning potential have the opportunities to reach their academic goals. Parents gained a lot from Julie talking about the profiles of these children, how to enrich their learning at home, encouragement of a Growth Mindset and how to stretch and engage their children at home by understanding their capabilities. More of these events will follow in the future when we welcome back Julie to Trinity.

A photograph showing a person's hands and arms at a table. On the table is a white nameplate that reads "Cat Farnsworth" and "BIO. SCIENCE. SOCIETY". Next to it is a white document with the same title "Cat Farnsworth" and some text. The person is wearing a dark shirt. The background is slightly blurred, showing other people and tables.

Essays should be submitted to Miss DiRicci or Mrs Blunden by Wednesday 1<sup>st</sup> May 2019. The top THREE essays from each school will be sent to St Catherine's College, Oxford for final judging, with prize- giving later in the summer term 2019.

# TRINITY PE DEPARTMENT NEWS

## Netball

Huge Congratulations to the Year 9 NETBALL team who came 3rd in Lewisham Schools Tournament and Year 10 NETBALL team for achieving a fifth overall.

Edith received the award for 'Self Belief' and Nicole the award for 'Passion'.

## Athletics

Congratulations to Year 8 Cross Country Team for competing in the Lewisham Schools event.

From this team Daniel was selected to represent Lewisham at the London Schools Cross Country which will take place on Tuesday 5<sup>th</sup> March.

We wish Daniel every success at this event!

**TRINITY Wallball Squad and winners**

## WALLBALL

Trinity school was invited for the first time to take part in the Wallball UK tournament, which was held at Westway Sports Centre in west London.

The students had never played the game before the event, they were taught by coaches in the morning and competed against other schools in the afternoon.

The Y7 and Y8 teams were in the same group and the Y9 team had to play against Y10s.

The commitment and effort was excellent from all students which exceeded expectations. The Y8 and Y9 teams won their competition. Organiser's were very impressed how quick they learnt the game and built strategies to beat their opponents.

Congratulations to all involved embracing a new sport and having an open mind to learn compete against others!

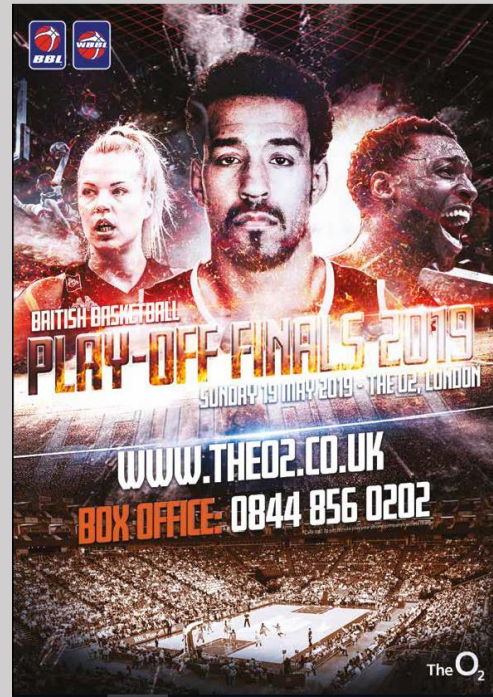

## British Basketball Finals

The PE department has been granted discounted tickets to attend this special event featuring the men's and women's final at the O2 on Sunday 19<sup>th</sup> May.

Students must purchase tickets from PE department by Tuesday 19<sup>th</sup> March, limited tickets available.

## Athletics

Congratulations to Leah and Favor in Year 8 for being selected to train with the 'Street2Stadium' athletics squad this coming season.

The girls will have the opportunity to be trained by top level coaches.

## UPCOMING TRIPS

### Trinity Lewisham School

#### Your Geography Tour To Bay of Naples

6<sup>th</sup> – 9<sup>th</sup> July 2020

"The Geography Team are pleased to announce the launch of our 2020 Geography tour of Italy, 6<sup>th</sup>- 9<sup>th</sup> July 2020. We will be visiting and studying the tectonic geography of Vesuvius, Pompeii and Campi Flegrei area, Flavian Amphitheatre, Capri and the beautiful Amalfi Coast. An amazing experience and guaranteed to inspire budding geographers. Pupils will be sent a letter detailing the trip and costs shortly".

Miss Adnitt will send out letters at the end of the week. Open to 20 people from years 7-9. First 20 to return the form with a deposit will secure a space. This is for 2020!

## PRIMARY UPCOMING NEWS & EVENTS

### Trinity Science Fair!

This year we will be holding our Science Fair earlier so that it falls within National Science Week.

We look forward to another successful year of children bringing in scientific projects they have created at home.

All families are welcome to come to our Trinity Science fair and see the amazing experiments on show!

Prizes to be won!

Trinity school hall  
Thursday 14th  
March 3.30pm-  
4.15pm

WORLD  
BOOK  
DAY

### WORLD BOOK DAY Big Book-y Breakfast

Thursday 7th March 2019

8.15- 8.45 am

Downstairs Hall

(please come to the main reception)

PAFT will be hosting a '3 Bears Breakfast' in which they will be serving porridge (that's just right) in the hall before school starts.

This will be an opportunity for families come along with their children and enjoy a lovely meal before the day starts.

Please bring along any topping you may like to add to your porridge! Please ensure no toppings include nuts.

We hope to see you there!
