Dear Trinitarians

The final countdown for Trinity School Summer Fair is on. It is on Saturday 15<sup>th</sup> June starting at 12 noon to 3pm. It is a great event where the whole school community comes together. All funds raised are used to help improve the schools facilities. The PAFT team have worked tirelessly behind the scene to ensure the event is packed with entertainment and fun for all. Come along, live life in all its fullness - you even get a chance to soak Mr Janes and myself!!!

Our pupils are working extremely hard as we are moving towards the end of year exams - retrieval practice is being used to support all with their memory. Year 11 have their final full week of public exams next week and all other year groups are being prepped ready for their opportunity to show us everything they have learnt.

We have had many pupils over the last week receive their UK Intermediate National Maths Challenge results. We achieved two gold awards for Edward Lindsey and Patrick Meehan, two silver for Patience Ambella Safi and Alliyah James and 7 bronze awards. We also had a group of pupils take part in the UK National Junior Challenge with Kemar Herman achieving a Silver and 10 others gaining a bronze award. Again our pupils took part in the Lewisham Athletics champions and we had 22 top 3 finishers. 5 of our pupils will now go on and represent Lewisham at the London School Games at the end of June.

We are about to launch our Activities week programme for all pupils in year 7 to 10 - where they will be able to pick activities that fully immerse them in activities that is different to what they would normally do. This includes Engineering programmes, Drama workshops, music performance and Taize.

Have a great week

### OPEN MORNINGS/EVENING

See page 3

Dear Trinity families,

It has been a lovely first week back and we have lots of fun events to look forward to in the upcoming weeks. Our annual Summer Fayre is on Saturday 15<sup>th</sup> June and we would like to thank everyone who came in today wearing their own clothes in exchange for bringing an item to enhance the Fair – I am sure you will have contributed to making this year's fair the very best one so far.

Next Friday we will be having our very first Immersive History Day, organised by Miss Moule, our History lead in the Primary Phase. Please make sure you have checked which decade your child's year group will be learning about so you can brief them on all the main events which occurred during that time and get some clothes that would have been worn during that period for them to wear on the day. I am looking forward to seeing the 90s and 80s dress ups in particular!

It has been a pleasure popping into classes and looking at our pupils' learning around their topics this week. Some of the fascinating, challenging questions and debates which were taking place blew me away. Our Year fives have had informed discussions about who was the most influential figure during the Victorian period: Dr Thomas Barnardo or Lord William Shaftesbury. Our Year threes were having a debate about whether they agreed with Emmeline Pankhurst's tactics during the suffragette movement. On top of that, our Year twos were listening to all sides of the argument around whether lemonade was good or bad for us nutritionally. It is great to see our pupils have the opportunity to use the knowledge they have gained to think so critically.

Finally, please check out the blog to see some of the wonderful 3D modelling which the pupils have been creating with Mrs Varghese during her art sessions and to view our Year three trip to Lewisham's Hindu Temple.

As ever, I wish you the very best of weekends, full of rest and fun, ready for learning on Monday.

## YEAR THREE AT THE HINDU TEMPLE

Year 3 greatly enjoyed their trip to the Hindu Temple in Lewisham. We are very grateful to the people at the temple for being so warm and welcoming to us and for giving us the opportunity to enrich our learning within our own community.

## CHAPLAIN'S CORNER By Reverend Juliet Evans

*You will receive power when the Holy Spirit has come upon you; and you will be my witnesses in Jerusalem, in all Judea and Samaria, and to the ends of the earth."*

*When he had said this, as they were watching, he was lifted up, and a cloud took him out of their sight.*

*Acts 1: 8-9*

When Jesus left his disciples he gave them a high expectation: to be witnesses not just in their homes and local communities or even their country but to be witnesses to the ends of the earth, to all people. God has high expectations of us that we must love so hugely, deeply and widely that it reaches all around the world. We have been reflecting on how sometimes our expectations of ourselves and others are set too low for fear of not succeeding and that high expectations can be difficult as we can get disappointed when we don't do as well as we hoped. Our response is not to aim low so we don't get disheartened but to live life in all its fullness by persisting, even when we don't get to where we want to be straight away. We watched Kodi Lee who was recently on America's Got Talent who has autism and is blind, who wowed the judges and us with his beautiful singing. Kodi and his mum inspired us to aim high despite our challenges and to recognise our abilities rather than the things which are difficult. God has high expectations of us and we should have high expectations of ourselves and others.

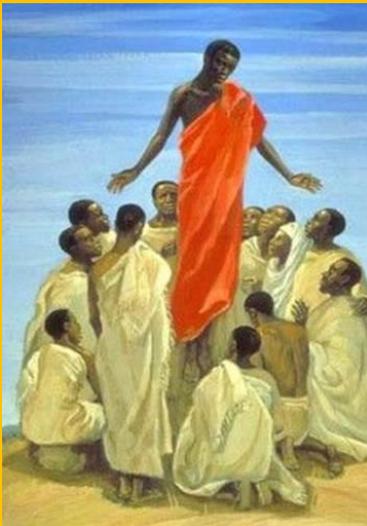

*God of us all*

*We pray that we can see ourselves with your eyes,  
knowing we are amazing and valuable in your sight.*

*May we can aim high and be persistent when things are difficult*

*so that we fulfil our potential  
and live life in all its fullness*

*Amen*

Any children in years 3-6 can enter the competition, and the Mayor of Lewisham will judge the entries. Eligible: any local children in KS2 (individuals or pairs)

Deadline: Friday 21st June 2019

Judge: Mayor of Lewisham

Prize: The winning picture will be made into a permanent sign at Hither Green Station
